

1  
00:00:00,300 --> 00:00:00,600  
Sarah Foss: From

2  
00:00:00,600 --> 00:00:04,019  
the Alex Trebek Stage  
at Sony Pictures Studios,

3  
00:00:04,230 --> 00:00:07,890  
Music: this is Inside Jeopardy!.

4  
00:00:08,280 --> 00:00:11,010  
Sarah Foss: Hello and welcome back to  
Inside Jeopardy!, your exclusive and

5  
00:00:11,400 --> 00:00:14,840  
official podcast destination for all  
things happening in the world of Jeopardy!.

6  
00:00:15,375 --> 00:00:18,855  
I'm Sarah Foss, and I'm joined  
today by the Dapper Dan of

7  
00:00:18,855 --> 00:00:21,465  
Disneyland, Buzzy Cohen.

8  
00:00:21,825 --> 00:00:24,945  
Buzzy Cohen: Well, I did not bring  
the rest of the quartet with me,

9  
00:00:24,950 --> 00:00:26,955  
but I'm happy to be here, Sarah.

10  
00:00:27,105 --> 00:00:27,195  
I

11  
00:00:27,535 --> 00:00:28,515  
Sarah Foss: want you to  
appreciate that reference.

12  
00:00:28,545 --> 00:00:29,145  
Yeah, of course.

13  
00:00:29,145 --> 00:00:30,585  
You know, we're Disneyland fans.

14  
00:00:30,585 --> 00:00:31,035  
We're fans

15  
00:00:31,035 --> 00:00:32,785  
Buzzy Cohen: of the Land  
and Happiest Place on Earth.

16  
00:00:33,675 --> 00:00:36,015  
This morning on, uh, next  
to the podcast studio.

17  
00:00:36,015 --> 00:00:38,415  
Next to the podcast studio, the  
starting on this morning on the

18  
00:00:38,535 --> 00:00:42,045  
drive to school, one of my kids  
decided I wanna go to Disneyland.

19  
00:00:42,165 --> 00:00:42,515  
Oh.

20  
00:00:42,644 --> 00:00:44,894  
I was just like, woke up  
with that feeling right now.

21  
00:00:44,894 --> 00:00:46,125  
Or just like, just in general.

22  
00:00:46,125 --> 00:00:46,845  
Wants a plan.

23  
00:00:46,964 --> 00:00:46,995  
Okay.

24  
00:00:46,995 --> 00:00:47,925  
Wants to have a plan.

25

00:00:48,375 --> 00:00:49,665  
Uh, wanted to call.

26  
00:00:49,735 --> 00:00:52,225  
Grandparents to see who would take them.

27  
00:00:52,315 --> 00:00:52,495  
Okay.

28  
00:00:52,500 --> 00:00:54,025  
It was a whole, yeah, it was interesting.

29  
00:00:54,025 --> 00:00:57,205  
Talked a lot about the tiki  
room and described it as spooky.

30  
00:00:57,415 --> 00:01:01,215  
So I think maybe the tiki room in  
the haunted mansion got conflated a

31  
00:01:01,215 --> 00:01:02,605  
little bit in a four year old mind.

32  
00:01:02,875 --> 00:01:04,614  
Well, we could talk all day about

33  
00:01:04,614 --> 00:01:07,195  
Sarah Foss: Disney because I have a  
trip planned in June, so, Ooh, okay.

34  
00:01:07,195 --> 00:01:08,575  
Maybe I'll piggyback  
older daughter's birth.

35  
00:01:08,940 --> 00:01:10,080  
Day we're going in.

36  
00:01:10,085 --> 00:01:12,720  
I'm just saying buzzy  
gave me a great tip once.

37  
00:01:12,750 --> 00:01:16,890

If you ever did go into the tiki  
room, gotta sit in the back cuz that

38

00:01:16,890 --> 00:01:19,710  
bench has a lean to, has a back on it.

39

00:01:19,710 --> 00:01:19,770  
Yeah.

40

00:01:19,770 --> 00:01:23,160  
So after a long day at Disney, go  
into the back row of the tiki room.

41

00:01:23,164 --> 00:01:23,429  
You might

42

00:01:23,429 --> 00:01:24,270  
Buzzy Cohen: even get a little nap.

43

00:01:24,570 --> 00:01:26,580  
I've fallen asleep in that  
back row of the tiki room.

44

00:01:26,580 --> 00:01:28,380  
Music: In the Tiki Tiki Tiki, tiki tiki

45

00:01:28,380 --> 00:01:28,650  
Buzzy Cohen: room.

46

00:01:29,370 --> 00:01:29,820  
I love it.

47

00:01:30,120 --> 00:01:32,940  
We listened to that original  
soundtrack in our car rides.

48

00:01:32,940 --> 00:01:35,310  
Wally Bogue, I believe is  
the name of one of those

49

00:01:35,310 --> 00:01:35,729  
Sarah Foss: voice actors.

50

00:01:35,729 --> 00:01:37,080

Only a music producer would know

51

00:01:37,085 --> 00:01:37,539

Buzzy Cohen: that bus.

52

00:01:37,905 --> 00:01:41,384

We could talk all day inside Disneyland,  
but I want to kick off the show with

53

00:01:41,384 --> 00:01:45,134

a call back to last week's episode,  
and I just wanna say this is why

54

00:01:45,255 --> 00:01:47,054

I love the Jeopardy community.

55

00:01:47,535 --> 00:01:51,164

We received a message from one of our  
listeners, Chris, who also happens to

56

00:01:51,164 --> 00:01:56,175

be a meteorologist, and Chris wrote, I  
appreciate the use of the word grapple,

57

00:01:56,354 --> 00:01:59,985

but the correct pronunciation of the word  
is not grapple as Buzzy Cohen said it.

58

00:02:00,670 --> 00:02:04,060

Grapple with a short O  
sound in the first syllable.

59

00:02:04,150 --> 00:02:04,720

Grapple.

60

00:02:04,900 --> 00:02:06,520

Well, I wanna say we checked this.

61

00:02:06,520 --> 00:02:10,540

Chris, of course, is absolutely correct,

but I just wanna say I'm from New Jersey.

62

00:02:10,545 --> 00:02:13,840  
I say things incorrectly poor  
Sarah, I think we've mentioned

63

00:02:13,840 --> 00:02:14,920  
it a few times on the podcast.

64

00:02:14,920 --> 00:02:17,070  
Had to coach me through a few words.

65

00:02:17,675 --> 00:02:21,845  
When I guest hosted, that doesn't always  
come out, but sometimes the New Jersey

66

00:02:22,145 --> 00:02:27,095  
pops out of my mouth and our podcast  
producer Alexa, no help because she's

67

00:02:27,095 --> 00:02:32,975  
from Delaware County, Pennsylvania, which  
also has a, a real rough accent going on.

68

00:02:33,335 --> 00:02:36,785  
Alexa, I give a hard time cuz she can't  
even pronounce her last name correctly.

69

00:02:36,785 --> 00:02:38,705  
So, uh, she was certainly no help.

70

00:02:38,705 --> 00:02:40,865  
But I do also want a little redemption.

71

00:02:41,135 --> 00:02:43,265  
Last week, I don't know if you  
know this happened, Sarah, but

72

00:02:43,265 --> 00:02:44,885  
I actually texted Michelle.

73

00:02:45,540 --> 00:02:49,980

Co-head writer and I said,  
would you credit me if I

74  
00:02:49,980 --> 00:02:52,380  
said grapple and not grapple?

75  
00:02:52,470 --> 00:02:58,050  
And she actually pulled Billy aside  
and they concluded judge's ruling, they

76  
00:02:58,050 --> 00:02:59,790  
would have accepted my pronunciation.

77  
00:02:59,790 --> 00:03:02,910  
So while I did not pronounce it  
correctly, I had it jeopardy.

78  
00:03:02,910 --> 00:03:03,420  
Correct.

79  
00:03:03,420 --> 00:03:04,830  
So is that a win?

80  
00:03:05,010 --> 00:03:05,520  
Sort of.

81  
00:03:05,760 --> 00:03:06,960  
But thank you Chris.

82  
00:03:07,170 --> 00:03:09,630  
I love that everyone is keeping us honest.

83  
00:03:09,840 --> 00:03:11,350  
Sarah Foss: Wow, that's  
a lot to grapple with.

84  
00:03:13,645 --> 00:03:15,085  
. But yes, thank you Chris.

85  
00:03:15,145 --> 00:03:17,065  
I really appreciate this feedback.

86

00:03:17,065 --> 00:03:21,055  
You know, buzzy, he rarely makes  
any mistakes, and according to

87

00:03:21,055 --> 00:03:24,355  
our co-head writers, he didn't  
actually make a true mistake.

88

00:03:24,360 --> 00:03:27,865  
But we always like when people are  
here to point those things out.

89

00:03:28,345 --> 00:03:31,525  
I love our fans as well because  
they're kind of backing us up.

90

00:03:31,525 --> 00:03:35,525  
In recent days, you know, people have  
been saying, Nobody's letting us know

91

00:03:35,525 --> 00:03:40,445  
when the hosts are switching and no  
warning, and I'm like, actually, listen

92

00:03:40,445 --> 00:03:42,065  
to the pod right here on Inside Jeopardy.

93

00:03:42,155 --> 00:03:43,805  
We tell you exactly what's gonna happen.

94

00:03:44,405 --> 00:03:45,005  
You know?

95

00:03:45,095 --> 00:03:48,365  
Right now, maam, she's hosting the  
high school reunion tournament.

96

00:03:48,365 --> 00:03:48,665  
Guess what?

97

00:03:48,665 --> 00:03:49,235  
March 10th.

98  
00:03:49,505 --> 00:03:51,395  
Ken Jennings coming back this Friday.

99  
00:03:51,395 --> 00:03:52,075  
This Friday.

100  
00:03:52,175 --> 00:03:55,355  
As a matter of fact, he's gonna host  
through April 28th and then on May.

101  
00:03:56,190 --> 00:03:59,760  
My ambi back for the rest of the  
season, so anyone, thank you.

102  
00:03:59,790 --> 00:04:00,989  
You are the people who are listening.

103  
00:04:01,200 --> 00:04:02,429  
Let those other folks know.

104  
00:04:02,850 --> 00:04:03,690  
We tell it to you here.

105  
00:04:03,690 --> 00:04:04,529  
We tell it to you straight.

106  
00:04:04,529 --> 00:04:04,619  
Yes.

107  
00:04:04,619 --> 00:04:05,519  
Right here on Inside Jeopardy.

108  
00:04:05,679 --> 00:04:08,130  
Buzzy Cohen: You know, it's  
like we have now a legion of

109  
00:04:08,130 --> 00:04:09,600  
the Inside Jeopardy listeners.

110  
00:04:09,605 --> 00:04:09,660

Yeah.

111  
00:04:09,810 --> 00:04:13,619  
Going out, doing the Lord's work,  
, keeping everybody informed so I don't

112  
00:04:13,625 --> 00:04:18,930  
have to individually respond to every  
DM asking who's hosting when, and the

113  
00:04:18,930 --> 00:04:22,770  
details of all these amazing tournaments  
that the Jeopardy team has put together.

114  
00:04:22,830 --> 00:04:23,430  
Speaking of.

115  
00:04:24,284 --> 00:04:27,435  
We are midway through the quarter  
finals of the Jeopardy Quarter

116  
00:04:27,435 --> 00:04:28,995  
Quell High School reunion to.

117  
00:04:29,850 --> 00:04:32,460  
Sarah Foss: Well, that's where we're  
going to review, cuz we're actually,

118  
00:04:32,460 --> 00:04:36,480  
we're in the semis now, but we're  
gonna review the quarter finals.

119  
00:04:36,600 --> 00:04:38,190  
Let's do it heading into Monday.

120  
00:04:38,190 --> 00:04:38,850  
Cue the beep boos.

121  
00:04:44,280 --> 00:04:50,310  
We rejoined our quarter finals with Rohan  
Kales, Claire Satler and Rhea Sinha.

122

00:04:50,760 --> 00:04:51,930  
Buzzy Cohen: This was quite a game.

123  
00:04:51,930 --> 00:04:55,080  
Rhea Sinha from my neck of the woods in Northern New Jersey.

124  
00:04:55,150 --> 00:04:56,710  
No Chatham very well.

125  
00:04:57,010 --> 00:05:02,679  
Uh, Rohan came out with a very strong Jeopardy round and really looked

126  
00:05:02,679 --> 00:05:04,359  
like he could run away with it.

127  
00:05:04,510 --> 00:05:04,659  
Yeah.

128  
00:05:04,659 --> 00:05:04,810  
But

129  
00:05:05,190 --> 00:05:08,289  
Sarah Foss: interestingly enough, you know, the daily double makes his stats

130  
00:05:08,294 --> 00:05:11,620  
look even better, but it really was an evenly matched round players with

131  
00:05:11,620 --> 00:05:13,510  
eight, nine, and 10 correct responses

132  
00:05:13,515 --> 00:05:14,169  
Buzzy Cohen: respectively.

133  
00:05:14,289 --> 00:05:17,799  
And it's interesting that Rohan earned this lead with a daily double

134  
00:05:17,799 --> 00:05:19,479

and then in the double jeopardy.

135

00:05:20,005 --> 00:05:24,985  
Hits that second daily double  
goes for the minimum wager of \$5.

136

00:05:25,225 --> 00:05:28,915  
Sarah Foss: Well, before we get into  
that buzzy, I have to call out the Daniel

137

00:05:28,915 --> 00:05:31,255  
Radcliffe on Harry Potter category.

138

00:05:31,375 --> 00:05:32,094  
Oh yes.

139

00:05:32,185 --> 00:05:33,565  
In the studio.

140

00:05:34,045 --> 00:05:36,594  
Everyone was so excited when  
that category was revealed.

141

00:05:37,255 --> 00:05:40,625  
Probably no one more than Bria her  
reaction of like, oh my gosh, it's

142

00:05:40,625 --> 00:05:42,215  
Daniel Radcliffe talking Harry Potter.

143

00:05:42,215 --> 00:05:43,325  
This is so exciting.

144

00:05:43,715 --> 00:05:46,205  
And even Mayim said, I know it's amazing.

145

00:05:46,715 --> 00:05:49,745  
After the category was finished, obviously  
the contestants went right to it.

146

00:05:49,750 --> 00:05:53,284  
They went bottom to top, and then

the audience actually applauded

147

00:05:53,290 --> 00:05:54,485  
at the end of the category.

148

00:05:54,515 --> 00:05:56,815  
It was just such a well  
received category and.

149

00:05:57,230 --> 00:06:00,860  
You know, I was able to shoot this  
with Daniel Radcliffe in Toronto when

150

00:06:00,860 --> 00:06:03,200  
he was promoting the weird Al film.

151

00:06:03,350 --> 00:06:03,530  
Yep.

152

00:06:03,620 --> 00:06:06,230  
And you know, he did another  
category for us on his career.

153

00:06:06,230 --> 00:06:09,500  
I remember that his career, but was  
generous enough to do this category.

154

00:06:09,500 --> 00:06:10,700  
In addition to the other one.

155

00:06:10,705 --> 00:06:13,250  
We knew we wanted to save it for  
high school reunion tournaments.

156

00:06:13,250 --> 00:06:13,340  
Right.

157

00:06:13,345 --> 00:06:13,910  
So we've kind of been.

158

00:06:14,270 --> 00:06:17,810  
Holding onto it for a few

months, but Daniel is a fan.

159

00:06:17,870 --> 00:06:22,039

He loves Jeopardy and I was so excited to share with his team just how well

160

00:06:22,039 --> 00:06:23,479

this category had been received.

161

00:06:23,570 --> 00:06:25,700

Buzzy Cohen: Thank you Daniel, for giving us that extra time.

162

00:06:25,705 --> 00:06:29,090

And thank you to Rohan, Claire and Rhea cuz they played a great

163

00:06:29,299 --> 00:06:31,099

double jeopardy round as well.

164

00:06:31,460 --> 00:06:33,229

Rhea losing 3000 on the.

165

00:06:33,365 --> 00:06:39,635

First daily double Rohan with an interesting \$5 minimum wager

166

00:06:39,640 --> 00:06:40,775

on that second daily double.

167

00:06:40,775 --> 00:06:43,325

Now, I don't know if people at home know that, but you have to

168

00:06:43,325 --> 00:06:46,055

wager something on a daily double.

169

00:06:46,115 --> 00:06:46,445

Yeah,

170

00:06:46,445 --> 00:06:48,995

Sarah Foss: and Claire actually

explained on Reddit that just

171

00:06:48,995 --> 00:06:52,475  
before that the contestant team  
had just reviewed with them.

172

00:06:52,895 --> 00:06:53,225  
Okay.

173

00:06:53,225 --> 00:06:57,485  
Everyone just wanna remind  
you, the minimum amount is \$5.

174

00:06:57,485 --> 00:07:02,145  
So they thought it was particularly,  
Hilarious when Rohan bet.

175

00:07:02,145 --> 00:07:02,715  
Just that.

176

00:07:02,775 --> 00:07:03,075  
So

177

00:07:03,075 --> 00:07:06,015  
Buzzy Cohen: let's talk about what  
he might have been thinking here.

178

00:07:06,075 --> 00:07:08,385  
You know, it's late in the round.

179

00:07:08,445 --> 00:07:08,535  
Mm-hmm.

180

00:07:08,775 --> 00:07:12,735  
. You don't want to make a big bet and  
then fall out of contention possible that

181

00:07:12,740 --> 00:07:15,195  
Rohan wasn't feeling great about this.

182

00:07:15,500 --> 00:07:17,630  
Category, which he did say

183

00:07:18,140 --> 00:07:18,830  
Sarah Foss: He's not a poetry

184

00:07:18,830 --> 00:07:19,159  
Buzzy Cohen: guy.

185

00:07:19,250 --> 00:07:20,270  
Not a poetry guy.

186

00:07:20,330 --> 00:07:24,320  
So I'm not mad at it because he's  
still in the game for final jeopardy.

187

00:07:24,469 --> 00:07:27,770  
I'm sure in hindsight wishes  
he had wagered a whole

188

00:07:27,770 --> 00:07:29,150  
bunch more since he knew it.

189

00:07:29,155 --> 00:07:31,340  
But you know, people  
have done this before.

190

00:07:31,430 --> 00:07:34,300  
I think that on a deli double,  
people tend to kind of like.

191

00:07:34,950 --> 00:07:38,429  
Under bet generally, but  
people also sometimes over bet

192

00:07:38,429 --> 00:07:39,419  
when it's late in the game.

193

00:07:39,630 --> 00:07:41,789  
I've made that mistake  
so I'm not mad at it.

194

00:07:42,119 --> 00:07:44,099  
Sarah Foss: Alright, do

you hear that Rohan Buzz?

195

00:07:44,099 --> 00:07:44,760  
He's not mad.

196

00:07:45,479 --> 00:07:47,849  
. Well, Claire was able to  
take that small lead over.

197

00:07:47,854 --> 00:07:50,760  
Rohan going into final, one of my  
favorite clues in double jeopardy.

198

00:07:50,760 --> 00:07:52,109  
Southerners for 1600.

199

00:07:52,109 --> 00:07:53,750  
The voice of Olaf on film.

200

00:07:53,900 --> 00:07:56,870  
He's a native of Hollywood, Florida.

201

00:07:57,075 --> 00:07:58,335  
Course the correct response.

202

00:07:58,365 --> 00:07:59,295  
Josh Gad.

203

00:07:59,625 --> 00:08:01,604  
Josh Gad has been on Celebrity Jeopardy.

204

00:08:01,604 --> 00:08:04,094  
Yeah, he was on Twitter  
and TikTok after this clue.

205

00:08:04,094 --> 00:08:06,465  
Came up saying a couple of thoughts here.

206

00:08:06,885 --> 00:08:07,965  
Honored I'm a clue.

207

00:08:08,325 --> 00:08:11,295  
Concerned that I'm a \$1,600 clue.

208  
00:08:11,625 --> 00:08:14,414  
Thrilled that my girl  
got it in one second.

209  
00:08:14,655 --> 00:08:17,625  
Grateful she won \$1,600 with my name.

210  
00:08:18,344 --> 00:08:19,245  
I think she was grateful too.

211  
00:08:19,544 --> 00:08:21,645  
Buzzy Cohen: Is he concerned  
that he's a \$1,600 clue?

212  
00:08:21,645 --> 00:08:23,265  
Because it's like he's too obscure.

213  
00:08:23,360 --> 00:08:23,840  
I think

214  
00:08:23,840 --> 00:08:25,730  
Sarah Foss: maybe he  
thinks he should be a 2000.

215  
00:08:25,820 --> 00:08:26,600  
Buzzy Cohen: Oh, okay.

216  
00:08:26,660 --> 00:08:28,040  
It's sort of a double edged sword, right?

217  
00:08:28,040 --> 00:08:30,050  
Like, do you wanna be worth more, right.

218  
00:08:30,050 --> 00:08:31,550  
Or do you wanna be so easy?

219  
00:08:31,550 --> 00:08:33,050  
Everybody knows every, yeah.

220

00:08:33,409 --> 00:08:34,370

Well you know what, Josh?

221

00:08:34,375 --> 00:08:36,950

Josh, if you're listening, let us know where that was coming from.

222

00:08:37,159 --> 00:08:46,610

So we go into final with, uh, Claire with 11,400 Rohan right on her heels, \$9,205.

223

00:08:47,030 --> 00:08:51,320

And Rhea still very much in the game because they are so close.

224

00:08:51,320 --> 00:08:52,010

Her 56.

225

00:08:52,400 --> 00:08:53,900

Keeps her in play.

226

00:08:54,439 --> 00:08:56,990

Rohan betting zero.

227

00:08:57,680 --> 00:09:00,199

Sarah Foss: Rohan coming back with the small wager and final.

228

00:09:00,260 --> 00:09:01,819

Yeah, he bet zero.

229

00:09:01,819 --> 00:09:02,870

Trying to come from second

230

00:09:02,875 --> 00:09:03,380

Buzzy Cohen: place.

231

00:09:03,380 --> 00:09:06,560

You imagine that either everyone's gonna get it or no one's gonna get it.

232

00:09:06,560 --> 00:09:10,459  
I think that's a reasonable way to  
make, to make a wager, you know?

233  
00:09:10,470 --> 00:09:13,920  
If Claire gets it, Claire  
is gonna bet to cover.

234  
00:09:13,920 --> 00:09:19,170  
So Rohan, what you want to do is try  
to avoid betting everything and Claire

235  
00:09:19,170 --> 00:09:21,510  
getting it wrong and then not getting it.

236  
00:09:21,515 --> 00:09:21,720  
It there.

237  
00:09:21,720 --> 00:09:24,030  
There's a good argument  
to be made for this wager.

238  
00:09:24,180 --> 00:09:24,900  
I think Rohan.

239  
00:09:25,625 --> 00:09:26,315  
Gotta feel good.

240  
00:09:26,315 --> 00:09:26,735  
Played a great

241  
00:09:26,735 --> 00:09:26,975  
Sarah Foss: game.

242  
00:09:27,065 --> 00:09:27,395  
Yeah.

243  
00:09:27,425 --> 00:09:28,325  
Played a great game.

244  
00:09:28,355 --> 00:09:30,065  
They both get final, correct?

245

00:09:30,245 --> 00:09:31,355

He wagers zero.

246

00:09:31,355 --> 00:09:32,825

She wagers a bit more.

247

00:09:32,975 --> 00:09:36,755

She's headed back to the semi-finals,  
a place she is familiar with from

248

00:09:36,755 --> 00:09:38,225

her previous teen tournament.

249

00:09:38,465 --> 00:09:38,645

Yep.

250

00:09:38,705 --> 00:09:43,199

Claire actually said in the post-game  
chat, She was just loving Myam outfit.

251

00:09:43,199 --> 00:09:46,170

And then Rohan actually commented  
that all the contestants had been

252

00:09:46,170 --> 00:09:48,569

going nuts over May's wardrobe.

253

00:09:48,870 --> 00:09:49,980

Buzzy Cohen: Love wardrobe chat.

254

00:09:50,189 --> 00:09:50,880

Not you do.

255

00:09:50,880 --> 00:09:51,439

Yeah, I do.

256

00:09:51,444 --> 00:09:51,750

Not.

257

00:09:51,750 --> 00:09:52,650

Enough of it happens.

258

00:09:52,650 --> 00:09:53,400  
I think so.

259

00:09:53,400 --> 00:09:57,089  
I'm glad that these young people  
are really engaging in that way.

260

00:09:57,180 --> 00:09:57,959  
Shall we move on?

261

00:09:58,020 --> 00:09:58,709  
Sarah Foss: Let's move on.

262

00:09:59,160 --> 00:09:59,670  
. All right.

263

00:09:59,699 --> 00:10:03,360  
Our seventh quarter  
Quell, or quarter final k.

264

00:10:03,360 --> 00:10:06,160  
I am on Tuesday with Audrey Sachi.

265

00:10:06,454 --> 00:10:08,944  
Anish Mari Poie and Lucas Minor.

266

00:10:09,064 --> 00:10:10,864  
Lucas found the daily  
double on the first clue.

267

00:10:10,864 --> 00:10:12,665  
People from islands for 800.

268

00:10:13,564 --> 00:10:18,574  
Qua is a word for a person from  
this island or of its heritage.

269

00:10:18,964 --> 00:10:21,995  
Lin Manuel Miranda is a proud boriqva.

270

00:10:22,064 --> 00:10:22,545

Mm-hmm.

271

00:10:22,685 --> 00:10:26,104

Lucas, he was right in on that  
wagered, the whole shebang.

272

00:10:26,305 --> 00:10:27,685

Perfect pronunciation.

273

00:10:27,685 --> 00:10:30,344

Responded with, what is Puerto Rico?

274

00:10:31,165 --> 00:10:33,064

Myam responds Correcto.

275

00:10:33,324 --> 00:10:34,555

I mean, it's a great start to the game.

276

00:10:34,734 --> 00:10:35,755

Buzzy Cohen: Great start to the game.

277

00:10:35,755 --> 00:10:36,175

Great.

278

00:10:36,175 --> 00:10:39,714

Jeopardy round with everyone  
finishing within \$1,800 of each other.

279

00:10:39,954 --> 00:10:41,905

Moving on to double jeopardy.

280

00:10:42,295 --> 00:10:47,064

This is where the field started to spread  
out a little bit, um, after a pretty

281

00:10:47,069 --> 00:10:48,944

evenly matched jeopardy round Lucas.

282

00:10:49,365 --> 00:10:51,465

and Audrey start to duke it out.

283  
00:10:51,795 --> 00:10:52,275  
Yeah.

284  
00:10:52,365 --> 00:10:54,525  
Sarah Foss: And they  
both find daily doubles.

285  
00:10:54,795 --> 00:10:57,885  
They both finish the round  
with five digit totals.

286  
00:10:58,185 --> 00:11:00,885  
But Lucas had that slight  
lead heading into final

287  
00:11:00,975 --> 00:11:03,945  
Buzzy Cohen: and Audrey and  
Lucas are both getting final.

288  
00:11:03,945 --> 00:11:04,575  
Correct?

289  
00:11:04,635 --> 00:11:07,755  
Of course, Lucas being in the lead,  
he's kind of in the poll position.

290  
00:11:07,755 --> 00:11:13,765  
He gets to bet to cover and he  
becomes our next semi-finalist.

291  
00:11:13,770 --> 00:11:13,965  
Sarah Foss: Yes.

292  
00:11:13,965 --> 00:11:18,225  
And in his final Jeopardy response, he  
wrote Bula Bah, which is of course the.

293  
00:11:19,795 --> 00:11:21,025  
Football song, which is where he

294  
00:11:21,030 --> 00:11:21,075

Buzzy Cohen: came.

295

00:11:21,225 --> 00:11:22,315  
I can say of course.

296

00:11:22,565 --> 00:11:23,115  
Of course.

297

00:11:23,145 --> 00:11:24,915  
I had Bah, well, I

298

00:11:24,915 --> 00:11:25,475  
Sarah Foss: should know that right?

299

00:11:25,475 --> 00:11:28,585  
He did go to Yale for a college  
championship many years ago.

300

00:11:28,585 --> 00:11:28,675  
Mm-hmm.

301

00:11:28,915 --> 00:11:33,145  
. So I learned a lot about Yale way  
back when, got to do a clue with

302

00:11:33,150 --> 00:11:34,915  
their mascot back in the day.

303

00:11:35,465 --> 00:11:36,485  
. Now we have to say a niche.

304

00:11:36,485 --> 00:11:38,735  
You might be wondering  
how was he thinking?

305

00:11:38,735 --> 00:11:40,355  
LeBron James, he responded.

306

00:11:40,355 --> 00:11:44,255  
LeBron James in this clue that had  
something to do about myth, not

307  
00:11:44,435 --> 00:11:46,055  
basketball, but he said, you know what?

308  
00:11:46,595 --> 00:11:47,885  
I just didn't know the answer.

309  
00:11:47,885 --> 00:11:51,365  
And I think LeBron James is the  
greatest basketball player of all times.

310  
00:11:51,370 --> 00:11:53,135  
So he gave a little shout out to LeBron.

311  
00:11:53,315 --> 00:11:54,545  
I like we did there, Aish.

312  
00:11:54,665 --> 00:11:57,305  
All right, we head into our eighth  
quarter final game with Tim,

313  
00:11:57,310 --> 00:12:00,395  
Joe, Dan Oxman and Isha Soheil.

314  
00:12:00,665 --> 00:12:03,005  
I gotta say my favorite  
part about the jeopardy.

315  
00:12:04,010 --> 00:12:05,060  
was the interview section.

316  
00:12:05,060 --> 00:12:05,720  
I mean, yes.

317  
00:12:05,720 --> 00:12:09,770  
Tim had a great round 17 correct  
responses off to a great start.

318  
00:12:09,770 --> 00:12:10,280  
Five finish.

319  
00:12:10,610 --> 00:12:15,260

10,600 at the end of the round, but  
it's the interview where Dan revealed.

320  
00:12:15,555 --> 00:12:18,495  
That Myam was his  
celebrity crush growing up.

321  
00:12:18,675 --> 00:12:18,855  
Yes.

322  
00:12:18,855 --> 00:12:21,045  
He said that he really  
admired how she played.

323  
00:12:21,194 --> 00:12:22,964  
And I know you and I  
went to the same place.

324  
00:12:22,964 --> 00:12:23,925  
We're like, oh yeah.

325  
00:12:24,314 --> 00:12:25,155  
I was like, oh, awesome.

326  
00:12:25,185 --> 00:12:25,425  
Yeah.

327  
00:12:25,625 --> 00:12:31,365  
And then he says he really admired how  
she played a super awesome scientist,

328  
00:12:31,425 --> 00:12:34,515  
and then he found out she was a  
scientist in real life and his mind.

329  
00:12:35,010 --> 00:12:35,550  
was blown.

330  
00:12:35,670 --> 00:12:36,060  
Yes.

331  
00:12:36,060 --> 00:12:38,079

Buzzy Cohen: As this story began, I was like, interesting.

332

00:12:38,079 --> 00:12:39,599

You know, like I think some people were more into Blossom.

333

00:12:39,630 --> 00:12:42,989

I had a crush on six and then all of a sudden it's like Big Bang Theory.

334

00:12:43,229 --> 00:12:45,660

I don't know how old I was when that show was airing, but it

335

00:12:45,665 --> 00:12:47,439

was not like Crushed Crush.

336

00:12:47,439 --> 00:12:47,599

Yeah.

337

00:12:47,599 --> 00:12:48,300

It was not the Crush Days.

338

00:12:48,660 --> 00:12:49,319

Wa wasn't the crush

339

00:12:49,324 --> 00:12:49,650

Sarah Foss: days.

340

00:12:49,650 --> 00:12:51,689

So you were six someone out there.

341

00:12:51,694 --> 00:12:53,010

Many people out there were blossomed.

342

00:12:53,310 --> 00:12:54,270

I was Joey Lawrence.

343

00:12:54,589 --> 00:12:55,079

Whoa.

344

00:12:55,290 --> 00:12:55,680

Oh yeah,

345

00:12:56,435 --> 00:12:57,810

.

Buzzy Cohen: That happened,  
that happened Something

346

00:12:58,079 --> 00:12:59,010

Sarah Foss: for everyone on that program.

347

00:12:59,010 --> 00:12:59,760

You know what Sharon?

348

00:13:00,675 --> 00:13:05,985

She was into this because she actually  
commented on our social team's post

349

00:13:06,105 --> 00:13:09,885

OMG with heart emoji faces and a fire.

350

00:13:09,885 --> 00:13:12,345

So, you know, she's excited  
about Dan's crush as well.

351

00:13:12,465 --> 00:13:15,375

Buzzy Cohen: I feel for you Dan, it's  
gotta be hard to be up there playing

352

00:13:15,375 --> 00:13:17,325

with your, with your celebrity crush.

353

00:13:17,325 --> 00:13:20,925

So like for me, the person I remember  
having a crush on when I was like, you

354

00:13:20,925 --> 00:13:25,725

know, 12 or whatever was Claire Danes,  
my so-called life and uh, so if Claire

355

00:13:25,725 --> 00:13:28,785

Danes was hosting the show and I had to

play, I think I would have a hard time.

356

00:13:29,070 --> 00:13:30,030

Dan, I love you.

357

00:13:30,030 --> 00:13:34,080

You did a great job in spite  
of having kind of a tough game.

358

00:13:34,260 --> 00:13:38,280

However, it wasn't all Tim Joe  
in the double jeopardy round.

359

00:13:38,550 --> 00:13:41,280

Isha really played hard.

360

00:13:41,400 --> 00:13:41,580

Yes.

361

00:13:41,670 --> 00:13:43,500

Couldn't quite make it.

362

00:13:43,800 --> 00:13:49,350

Not a runaway, but really came up and  
Tim and Dan missing both those daily

363

00:13:49,350 --> 00:13:53,370

doubles, Tim with a runaway even \$20,000.

364

00:13:54,045 --> 00:13:54,915

Our semi-finalist.

365

00:13:54,944 --> 00:13:55,334

Yeah.

366

00:13:55,365 --> 00:13:55,724

Sarah Foss: Isha.

367

00:13:55,724 --> 00:13:56,204

Correct.

368

00:13:56,204 --> 00:13:58,814  
And final, she said in the  
post-game chat that she had two

369  
00:13:58,814 --> 00:14:00,405  
goals coming into the tournament.

370  
00:14:00,735 --> 00:14:02,535  
She wanted to get a daily double correct.

371  
00:14:02,625 --> 00:14:05,295  
And she wanted to get the  
final jeopardy correct.

372  
00:14:05,655 --> 00:14:08,204  
Both of which had not happened  
in her first appearance.

373  
00:14:08,204 --> 00:14:10,875  
So she said, well, I did not  
achieve the daily double.

374  
00:14:11,390 --> 00:14:15,020  
She got her final right and I  
am so very happy about that.

375  
00:14:15,020 --> 00:14:15,469  
She said

376  
00:14:15,469 --> 00:14:16,339  
Buzzy Cohen: Happy and proud.

377  
00:14:16,370 --> 00:14:16,550  
Yeah.

378  
00:14:16,550 --> 00:14:17,900  
You and Bakersfield proud.

379  
00:14:17,930 --> 00:14:22,100  
Now we have eight of our semi-finalists  
brings us to Thursday where we will

380

00:14:22,100 --> 00:14:26,000  
find our ninth semi-finalist and  
close out that semi-final field.

381  
00:14:26,030 --> 00:14:28,699  
It will be among one  
of these three people,

382  
00:14:28,850 --> 00:14:32,120  
Sarah Foss: Hannah Ertz, Caleb  
Richmond, and Maggie Brown.

383  
00:14:32,150 --> 00:14:33,319  
Come on down.

384  
00:14:33,439 --> 00:14:35,089  
Well, do you feel like you set  
me up there for little price?

385  
00:14:35,329 --> 00:14:36,310  
Buzzy Cohen: Did tight something?

386  
00:14:36,310 --> 00:14:36,630  
Yes.

387  
00:14:36,635 --> 00:14:36,949  
Yes.

388  
00:14:37,130 --> 00:14:38,069  
Well, Cal.

389  
00:14:38,550 --> 00:14:42,270  
Absolutely dominated this Jeopardy.

390  
00:14:42,270 --> 00:14:50,459  
Round 16 correct responses, 22  
buzzer attempts and a \$5,018 Deli

391  
00:14:50,464 --> 00:14:50,850  
Sarah Foss: double.

392  
00:14:50,880 --> 00:14:51,030

Yeah.

393

00:14:51,030 --> 00:14:51,300  
You know what?

394

00:14:51,300 --> 00:14:54,319  
He didn't dominate, which  
none of them did the category.

395

00:14:54,735 --> 00:14:57,645  
In the sport tough category for  
all three of our contestants.

396

00:14:57,645 --> 00:15:01,215  
And by the fifth clue, Caleb said,  
let's finish out in the sport.

397

00:15:01,215 --> 00:15:02,655  
I just wanna get rid of it.

398

00:15:02,985 --> 00:15:06,225  
And then when they all miss  
that final clue, he joked the

399

00:15:06,230 --> 00:15:08,055  
internet is going to love this.

400

00:15:08,565 --> 00:15:11,445  
I think people have enjoyed  
it, not at their expense,

401

00:15:11,445 --> 00:15:13,005  
but you know, people comment.

402

00:15:13,155 --> 00:15:15,345  
Sports sometimes they're really tough.

403

00:15:15,645 --> 00:15:16,064  
Buzzy Cohen: Yeah, they are.

404

00:15:16,095 --> 00:15:18,345  
It's a whole genre of trivia.

405

00:15:18,345 --> 00:15:19,185

There's so much

406

00:15:19,185 --> 00:15:19,574

Sarah Foss: information.

407

00:15:19,574 --> 00:15:20,775

We had a whole type of jeopardy.

408

00:15:20,915 --> 00:15:21,035

Yes.

409

00:15:21,035 --> 00:15:22,365

Sports jeopardy dedicated.

410

00:15:22,365 --> 00:15:24,074

How can you know everything  
about everything?

411

00:15:24,074 --> 00:15:24,765

Buzzy Cohen: It's just not possible.

412

00:15:24,765 --> 00:15:24,824

Yeah.

413

00:15:24,855 --> 00:15:28,305

I will say I know that uh, jeopardy  
contestants are often typecast

414

00:15:28,305 --> 00:15:29,535

as not knowing about sports.

415

00:15:29,540 --> 00:15:34,435

A lot of great contestants, James Holtz  
Tower, who will be back for masters among.

416

00:15:34,625 --> 00:15:37,655

Really know a ton about  
sports as, as Amy Schneider, I

417

00:15:37,660 --> 00:15:38,525  
Sarah Foss: mean Amy Schneider.

418  
00:15:38,795 --> 00:15:40,805  
She presented an entire  
category on the Warriors.

419  
00:15:40,805 --> 00:15:41,225  
So I

420  
00:15:41,225 --> 00:15:44,945  
Buzzy Cohen: did like knowing that  
Caleb had done bar trivia with fellow

421  
00:15:44,945 --> 00:15:49,715  
tournament player Tegan O Sullivan,  
um, and they came in second with

422  
00:15:49,720 --> 00:15:51,095  
their team name peaked in high school.

423  
00:15:51,100 --> 00:15:53,405  
I think they're gonna have  
to update that team name.

424  
00:15:53,410 --> 00:15:53,465  
Sarah Foss: Huh?

425  
00:15:53,555 --> 00:15:54,575  
I think so.

426  
00:15:54,605 --> 00:15:55,925  
Now it's peaked in college.

427  
00:15:55,955 --> 00:15:56,015  
Yeah.

428  
00:15:56,195 --> 00:15:59,045  
Caleb had another impressive  
round in double jeopardy.

429  
00:15:59,185 --> 00:16:02,585

That would've been even more impressive if he had been correct on both of the daily.

430

00:16:03,135 --> 00:16:06,194  
Halfway through the round,  
he's already at over \$20,000.

431

00:16:06,194 --> 00:16:08,805  
He wagers \$10,018.

432

00:16:08,835 --> 00:16:09,795  
He was correct.

433

00:16:09,824 --> 00:16:12,495  
He's now over \$30,000.

434

00:16:12,495 --> 00:16:16,485  
But if few clues later, he finds a  
second daily double wagers, \$10,018

435

00:16:16,485 --> 00:16:18,944  
yet again, and he gets it incorrect.

436

00:16:18,949 --> 00:16:19,215  
So, you know.

437

00:16:19,790 --> 00:16:20,420  
Yeah, he balances

438

00:16:20,420 --> 00:16:20,630  
Buzzy Cohen: out.

439

00:16:20,720 --> 00:16:22,819  
Some people might take issue with this.

440

00:16:22,819 --> 00:16:27,530  
He's wagering 5,000 on a daily double  
in the jeopardy, round 10,000 on a daily

441

00:16:27,530 --> 00:16:29,150  
double in the double jeopardy round.

442  
00:16:29,360 --> 00:16:31,610  
And honestly, I'm not so mad at it.

443  
00:16:31,610 --> 00:16:33,199  
You know, he's got a big lead.

444  
00:16:33,439 --> 00:16:34,130  
Go for it.

445  
00:16:34,130 --> 00:16:35,990  
I, I, you know, just keep going for it.

446  
00:16:35,990 --> 00:16:37,490  
And as you can see, even with.

447  
00:16:37,935 --> 00:16:40,005  
Losing the \$10,000.

448  
00:16:40,005 --> 00:16:42,315  
He still had a runaway game.

449  
00:16:42,525 --> 00:16:42,735  
Well

450  
00:16:42,735 --> 00:16:43,755  
Sarah Foss: heading into final.

451  
00:16:43,755 --> 00:16:46,875  
Unfortunately, Maggie did not  
make it to final jeopardy.

452  
00:16:47,265 --> 00:16:49,545  
Caleb was the only one who was correct.

453  
00:16:49,935 --> 00:16:51,255  
I have to share a little insight.

454  
00:16:51,260 --> 00:16:54,915  
I was able to talk with Maggie's  
mom after the tournament.

455

00:16:54,915 --> 00:16:57,975

Of course, you know a  
lot of emotions, but.

456

00:16:58,595 --> 00:17:02,285

So complimentary that we had  
invited all of these teens back.

457

00:17:02,495 --> 00:17:05,045

You know, each of the individual  
groups from both tournaments were

458

00:17:05,045 --> 00:17:07,435

very close in their, you know mm-hmm.

459

00:17:07,515 --> 00:17:08,495

groups of 15.

460

00:17:08,855 --> 00:17:11,225

But then we brought them all  
together and she said what had

461

00:17:11,225 --> 00:17:13,655

happened was just so incredible.

462

00:17:13,660 --> 00:17:18,000

In fact, after the finals, None  
of the parents, she said they

463

00:17:18,005 --> 00:17:19,350

just couldn't split up the party.

464

00:17:19,350 --> 00:17:22,230

Yeah, like they knew everyone had  
to get up the next day and fly home.

465

00:17:22,530 --> 00:17:26,670

But the kids were having the kids, the  
recent adults, as we'd like to call 'em

466

00:17:26,670 --> 00:17:29,010

Buzzy , were having so much fun together.

467  
00:17:29,010 --> 00:17:33,060  
They were just enjoying that camaraderie  
of this unique group, and it was really

468  
00:17:33,060 --> 00:17:35,040  
fun to talk to one of the parents to just.

469  
00:17:35,660 --> 00:17:36,590  
Experience it.

470  
00:17:36,595 --> 00:17:40,250  
I can't imagine, you know, either of us,  
we both have kids to think about our kids

471  
00:17:40,610 --> 00:17:42,500  
competing, not once but twice on Jeopardy.

472  
00:17:42,730 --> 00:17:42,930  
Mm-hmm.

473  
00:17:43,010 --> 00:17:46,670  
. And to have this comradery among  
these like-minded individuals.

474  
00:17:46,670 --> 00:17:48,620  
Like what an incredible experience.

475  
00:17:48,740 --> 00:17:49,430  
Especially when you're And

476  
00:17:49,490 --> 00:17:49,970  
Buzzy Cohen: have it twice.

477  
00:17:50,000 --> 00:17:50,210  
Yeah.

478  
00:17:50,210 --> 00:17:53,900  
Especially when you're kind of stepping  
out into the world in this way.

479

00:17:54,710 --> 00:17:56,390  
I'd like to go back to final for a second.

480  
00:17:56,390 --> 00:17:56,420  
Okay.

481  
00:17:56,420 --> 00:17:58,010  
Cuz I really felt for.

482  
00:17:58,919 --> 00:18:03,540  
Who was ruled incorrect cuz  
she did not complete manifesto.

483  
00:18:03,544 --> 00:18:05,699  
The clue was in non-fiction.

484  
00:18:05,820 --> 00:18:06,449  
It has the line.

485  
00:18:06,449 --> 00:18:10,050  
The discovery of America opened up  
fresh ground for the rising bourgeois Z.

486  
00:18:10,229 --> 00:18:12,270  
Caleb got what is the communist manifesto?

487  
00:18:12,600 --> 00:18:14,979  
Hannah wrote, what is the communist mane?

488  
00:18:15,260 --> 00:18:16,980  
Clearly going for manifesto.

489  
00:18:16,985 --> 00:18:20,580  
However, as we've said before,  
it was not a complete response

490  
00:18:20,585 --> 00:18:22,129  
and therefore ruled against her.

491  
00:18:22,190 --> 00:18:26,420  
Caleb is now our ninth semi-finalist,  
if I may now announce our

492

00:18:26,420 --> 00:18:27,680  
field of semi-finalists there.

493

00:18:27,680 --> 00:18:28,190  
Are you okay with that?

494

00:18:28,195 --> 00:18:29,500  
Take it away bus, take it away.

495

00:18:29,500 --> 00:18:34,040  
Have Maya Wright, Avi Gupta, Stephanie  
Pearson, Justin Bolson, Jackson

496

00:18:34,040 --> 00:18:39,060  
Jones, Claire Satler, Lucas Minor,  
Tim Joe, and now Caleb Richmond.

497

00:18:39,560 --> 00:18:42,710  
The quarterfinals of the  
quarter Quell have ended and.

498

00:18:43,410 --> 00:18:44,220  
It's the semis.

499

00:18:44,280 --> 00:18:44,790  
Sarah Foss: That's right.

500

00:18:44,790 --> 00:18:48,300  
We kicked off the semi-finals on  
Friday with Lucas Minor going up

501

00:18:48,300 --> 00:18:51,360  
against Jackson Jones and Avi Gupta.

502

00:18:51,750 --> 00:18:56,250  
Avi obviously a champion from  
the previous teen tournament.

503

00:18:56,255 --> 00:18:58,620  
You have to think there might  
have been a bit of a target on

504

00:18:58,620 --> 00:19:00,210  
his back in the jeopardy round.

505

00:19:00,540 --> 00:19:03,900  
Jackson was the one who scored an  
early daily double, took a strong

506

00:19:03,900 --> 00:19:09,090  
lead heading into double jeopardy,  
looking like he could not be caught, I

507

00:19:09,090 --> 00:19:09,629  
Buzzy Cohen: believe.

508

00:19:09,629 --> 00:19:14,430  
Did Jackson and Avi face each  
other in a semi-final previously

509

00:19:14,435 --> 00:19:17,040  
where Avi was victorious?

510

00:19:17,100 --> 00:19:19,950  
So maybe not only does Avi have a  
little bit of a target on his back,

511

00:19:19,950 --> 00:19:21,120  
but maybe there's a little bit of.

512

00:19:21,750 --> 00:19:22,590  
Vendetta.

513

00:19:22,830 --> 00:19:23,460  
Absolutely.

514

00:19:23,460 --> 00:19:24,480  
Sarah Foss: Redemption.

515

00:19:24,480 --> 00:19:24,481  
Redemption.

516

00:19:24,490 --> 00:19:25,340  
Redemption.

517  
00:19:25,340 --> 00:19:25,500  
Yeah.

518  
00:19:25,500 --> 00:19:26,580  
Jackson was out

519  
00:19:26,580 --> 00:19:27,340  
Buzzy Cohen: for redemption.

520  
00:19:27,345 --> 00:19:28,350  
Jackson was on fire.

521  
00:19:28,500 --> 00:19:33,270  
Double jeopardy round just continues that  
leave, although after a slow start in the

522  
00:19:33,270 --> 00:19:35,340  
jeopardy round, Avi really turned it on.

523  
00:19:35,550 --> 00:19:41,220  
Not enough to make Jackson play final  
jeopardy, but really makes up some

524  
00:19:41,220 --> 00:19:41,580  
Sarah Foss: ground there.

525  
00:19:41,760 --> 00:19:42,180  
Yeah.

526  
00:19:42,270 --> 00:19:45,960  
And a stat to provide for you  
earlier in the quarter final.

527  
00:19:46,035 --> 00:19:50,505  
Tim, Joe had the most correct  
responses at 29 in this game.

528  
00:19:50,565 --> 00:19:56,145  
Jackson ties him for 29, so proving

just what a strong game that Jackson

529

00:19:56,145 --> 00:19:58,455  
was having, we head into final.

530

00:19:58,875 --> 00:20:03,795  
Jackson not able to come up with  
the correct response, but Lucas is.

531

00:20:03,800 --> 00:20:05,865  
However, Jackson said, you know what?

532

00:20:06,240 --> 00:20:10,200  
I just wanted to be able  
to bet my mom's birthday.

533

00:20:10,370 --> 00:20:14,490  
Aw, 1220, so it doesn't matter if he got  
it right or wrong, he got to call out.

534

00:20:14,490 --> 00:20:21,150  
His mom, buzzy alluded to it, but in their  
semi-final, in the 2019 teen tournament.

535

00:20:21,750 --> 00:20:23,130  
, they had a tiebreaker.

536

00:20:23,640 --> 00:20:24,000  
Yeah.

537

00:20:24,210 --> 00:20:26,780  
And that is just such a tough way to lose.

538

00:20:26,780 --> 00:20:27,500  
Tough way to go.

539

00:20:27,600 --> 00:20:27,840  
Yeah.

540

00:20:28,140 --> 00:20:32,640  
And obviously Avi had beat Jackson  
in that tiebreaker many years

541

00:20:32,640 --> 00:20:34,500  
ago, but this was Jackson's day.

542

00:20:34,560 --> 00:20:36,690  
He was brought to tears, very emotional.

543

00:20:36,690 --> 00:20:39,540  
When he got that win, I had a  
chance to catch up with him.

544

00:20:39,600 --> 00:20:40,220  
Let's take a listen.

545

00:20:41,595 --> 00:20:43,995  
Jackson, you are headed to the finals.

546

00:20:43,995 --> 00:20:44,804  
How does it feel?

547

00:20:44,985 --> 00:20:46,004  
It feels amazing.

548

00:20:46,010 --> 00:20:47,745  
I'm still shocked.

549

00:20:47,774 --> 00:20:48,975  
Surprised.

550

00:20:49,425 --> 00:20:52,395  
I try to come in here as confident as  
I could, but knowing that there are

551

00:20:52,395 --> 00:20:55,395  
26 other amazingly smart people that  
I'm competing against, it was really

552

00:20:55,395 --> 00:20:58,544  
hard to, you know, be able to tell  
myself, oh, I'm going to the finals.

553

00:20:58,544 --> 00:21:02,895  
I'm gonna do great without  
any sort of, you know, doubt.

554  
00:21:03,075 --> 00:21:07,410  
So I have to ask, when you left the  
stage years, You know, as rules being

555  
00:21:07,410 --> 00:21:09,990  
what they have been in the past,  
there was no chance we were gonna see

556  
00:21:09,990 --> 00:21:11,790  
you back on the Alex or backstage.

557  
00:21:12,180 --> 00:21:14,100  
What went through your mind  
when you first got the call?

558  
00:21:14,190 --> 00:21:17,790  
I, the way I lost last time and a  
tiebreaker that is on the internet

559  
00:21:17,795 --> 00:21:23,220  
for everybody to see was incredibly  
painful and I so desperately wanted

560  
00:21:23,225 --> 00:21:26,820  
some sort of redemption and I  
didn't think I would ever get it.

561  
00:21:27,060 --> 00:21:29,610  
Redemption with a runaway.

562  
00:21:29,640 --> 00:21:30,810  
That had to feel pretty good.

563  
00:21:30,810 --> 00:21:31,560  
Yes, it did.

564  
00:21:31,980 --> 00:21:32,880  
It was my first runaway.

565

00:21:33,915 --> 00:21:34,245  
. Yeah.

566

00:21:34,245 --> 00:21:38,505  
What's it like going into final knowing  
that you can bet a very special wage?

567

00:21:38,505 --> 00:21:42,675  
It, it, it was a really good feeling I had  
that in my head that I wanted to do that.

568

00:21:42,675 --> 00:21:45,975  
And again, with how many other  
amazingly smart people are here, I knew

569

00:21:45,975 --> 00:21:49,005  
there'd be a lot of close games and  
I didn't think I would be able to get

570

00:21:49,005 --> 00:21:51,765  
the opportunity to do that, and I'm  
just really glad that I was able to.

571

00:21:52,035 --> 00:21:52,575  
All right.

572

00:21:52,575 --> 00:21:53,895  
The finals await you.

573

00:21:53,895 --> 00:21:53,985  
Yes.

574

00:21:53,985 --> 00:21:55,485  
Anything you're gonna do differently?

575

00:21:56,045 --> 00:21:56,395  
Oh.

576

00:21:57,450 --> 00:21:59,190  
No, just try to be myself.

577

00:21:59,310 --> 00:22:00,270  
It's worked so far.

578  
00:22:00,330 --> 00:22:01,440  
It has worked so far.

579  
00:22:01,440 --> 00:22:02,430  
Enjoy this moment.

580  
00:22:02,430 --> 00:22:04,230  
Enjoy this win, and we'll see the finals.

581  
00:22:04,230 --> 00:22:04,740  
Thank you so much.

582  
00:22:05,790 --> 00:22:09,090  
Buzzy Cohen: I'm excited to see  
who joins Jackson, and I'm excited

583  
00:22:09,090 --> 00:22:10,200  
to see Jackson play somewhere.

584  
00:22:10,200 --> 00:22:12,900  
That was an incredible,  
incredible semi-final match.

585  
00:22:13,110 --> 00:22:13,500  
All right,

586  
00:22:13,560 --> 00:22:16,510  
Sarah Foss: well, with that,  
let's take some viewer questions.

587  
00:22:21,460 --> 00:22:22,550  
Buzzy Cohen: Steven asks.

588  
00:22:22,775 --> 00:22:26,945  
Since the last T O C and the high  
school reunion attorney are both single

589  
00:22:26,945 --> 00:22:31,025  
elimination with no wild cards, are

the contestants still being sequestered

590

00:22:31,025 --> 00:22:34,625  
prior to their quarter final games,  
or are they allowed to watch and

591

00:22:34,630 --> 00:22:36,035  
scout the rest of the competition?

592

00:22:36,215 --> 00:22:37,385  
Sarah Foss: Great question, Steven.

593

00:22:37,385 --> 00:22:39,035  
And really good analytics.

594

00:22:39,035 --> 00:22:42,485  
You're exactly correct, because  
there are no wild cards.

595

00:22:43,235 --> 00:22:44,145  
Everyone just gets to watch.

596

00:22:44,145 --> 00:22:46,695  
It's like any other kind of sporting  
event, you know, you get to see

597

00:22:46,695 --> 00:22:49,725  
some teams go ahead of other teams,  
you get to watch their gameplay.

598

00:22:50,265 --> 00:22:51,945  
It's all picked at random.

599

00:22:51,950 --> 00:22:55,905  
So the order of the games is not  
something, you know, we predetermined.

600

00:22:55,910 --> 00:22:58,215  
It's, it's helped out  
with our s and p company.

601

00:22:58,215 --> 00:23:02,985

So, yeah, in fact, You may get to see next week for the finals.

602

00:23:03,465 --> 00:23:04,965  
They're all in the audience.

603

00:23:04,970 --> 00:23:07,905  
In fact, they've got their Jeopardy red sweatshirts.

604

00:23:08,085 --> 00:23:11,145  
It was the first time where our audience, um, members were

605

00:23:11,145 --> 00:23:13,215  
allowed to take off their masks.

606

00:23:13,245 --> 00:23:13,305  
Wow.

607

00:23:13,335 --> 00:23:17,775  
So you're gonna see the high school reunion tournament kids living it up,

608

00:23:17,835 --> 00:23:20,805  
cheering on their friends in the audience.

609

00:23:21,685 --> 00:23:22,514  
Watching each and every game.

610

00:23:22,514 --> 00:23:23,625  
So great question.

611

00:23:24,375 --> 00:23:29,055  
Buzzy Cohen: Ryan asks, do we foresee the goat theme to return for Jeopardy masters

612

00:23:29,055 --> 00:23:31,455  
or will they get an all new epic theme?

613

00:23:31,784 --> 00:23:35,055  
I feel like this competition

is certainly deserving of one.

614

00:23:35,264 --> 00:23:35,745

Ryan,

615

00:23:35,745 --> 00:23:36,645

Sarah Foss: you are so right.

616

00:23:36,735 --> 00:23:39,345

. This competition is deserving of one.

617

00:23:39,675 --> 00:23:41,175

Uh, we work with bleeding fingers.

618

00:23:41,175 --> 00:23:41,264

Mm-hmm.

619

00:23:41,504 --> 00:23:42,705

, I'm sure you're familiar with them.

620

00:23:42,705 --> 00:23:43,125

Buzzy.

621

00:23:43,125 --> 00:23:48,915

They do create all of our music and  
they are working on a one of a kind new.

622

00:23:49,905 --> 00:23:51,285

Of music for masters.

623

00:23:51,285 --> 00:23:53,775

We can't wait for you to hear it.

624

00:23:54,165 --> 00:23:57,405

I've been dancing along to the  
beat myself this morning as we

625

00:23:57,405 --> 00:23:59,235

just got one of the cuts back, so.

626

00:23:59,265 --> 00:23:59,355

Mm-hmm.

627

00:23:59,595 --> 00:23:59,625

. I

628

00:23:59,625 --> 00:24:03,165

Buzzy Cohen: wonder if Michael Peterson  
Davies and Johnny Gilbert how are in

629

00:24:03,165 --> 00:24:05,125

studio as we, that's why Michael Bon.

630

00:24:05,350 --> 00:24:06,270

That's why Michael isn't here.

631

00:24:06,270 --> 00:24:08,050

That's why Michael hasn't  
been on the pod lately.

632

00:24:08,050 --> 00:24:09,990

He's awesomes at the studios

633

00:24:09,995 --> 00:24:11,290

Sarah Foss: and Johnny  
and Gilbert, of course.

634

00:24:11,290 --> 00:24:11,740

Shredding.

635

00:24:11,770 --> 00:24:12,879

Buzzy Cohen: Shredding on the ax.

636

00:24:12,939 --> 00:24:13,209

Yep.

637

00:24:13,389 --> 00:24:14,949

Well, thank you for the great questions.

638

00:24:14,955 --> 00:24:15,669

Keep 'em coming.

639

00:24:15,939 --> 00:24:18,040  
That brings us to the end of today's show.

640  
00:24:18,040 --> 00:24:20,620  
We'll be back next Monday  
to discuss the two remaining

641  
00:24:20,620 --> 00:24:22,350  
semi-finals and of course that.

642  
00:24:22,860 --> 00:24:24,720  
Two day total point affair.

643  
00:24:24,720 --> 00:24:26,580  
Final, oh, you love to say it buzzing.

644  
00:24:26,585 --> 00:24:27,121  
I love to say it.

645  
00:24:27,330 --> 00:24:28,500  
Two day total point affair.

646  
00:24:28,500 --> 00:24:29,370  
I'll say it a few more times.

647  
00:24:29,370 --> 00:24:29,801  
One more time.

648  
00:24:30,270 --> 00:24:30,899  
Today.

649  
00:24:30,899 --> 00:24:31,260  
Total

650  
00:24:31,260 --> 00:24:31,980  
Sarah Foss: point, point affair.

651  
00:24:32,100 --> 00:24:32,669  
Oh yes.

652  
00:24:32,669 --> 00:24:36,360

We are so close to crowning the champion  
of the high school reunion tournament,

653

00:24:36,659 --> 00:24:41,190  
who, as a reminder, will receive \$100,000,  
but most importantly, they're getting

654

00:24:41,250 --> 00:24:42,870  
a spot in our next tournament of.

655

00:24:43,710 --> 00:24:47,670  
And then on Friday we are gonna welcome  
back three day champion Steven Webb.

656

00:24:47,790 --> 00:24:49,170  
You may have forgotten about Steven.

657

00:24:49,170 --> 00:24:51,900  
He was off to a great start, so we're  
gonna welcome him back on Friday.

658

00:24:52,170 --> 00:24:54,660  
There will be lots to discuss,  
you won't wanna miss it.

659

00:24:55,020 --> 00:24:56,730  
Make sure you subscribe to the podcast.
