

1
00:00:00,270 --> 00:00:01,480
From the Alex Trebek

2
00:00:01,490 --> 00:00:04,680
Stage at Sony Pictures Studios, this

3
00:00:05,140 --> 00:00:07,860
is Inside Jeopardy!

4
00:00:08,410 --> 00:00:11,129
Hello and welcome back to Inside
Jeopardy!, your exclusive and official

5
00:00:11,140 --> 00:00:14,189
podcast destination for all things
happening in the world of Jeopardy.

6
00:00:14,189 --> 00:00:16,750
I'm Sarah Foss, and I'm joined
today by Buzzy Cohen.

7
00:00:16,860 --> 00:00:17,950
Hello Sarah!

8
00:00:18,245 --> 00:00:19,655
Well, here we are, Buzzy.

9
00:00:19,655 --> 00:00:22,865
We are in the throes of the
Tournament of Champions.

10
00:00:23,135 --> 00:00:27,885
Of course, the Honors Awards went
up on YouTube last Thursday evening.

11
00:00:28,205 --> 00:00:31,115
It was a pleasure sharing the,
what normally would be the blue

12
00:00:31,115 --> 00:00:35,684
carpet, but ended up being the Alex
Trebek stage due to a lot of rain

13

00:00:35,685 --> 00:00:37,425
that was coming down that evening.

14

00:00:37,815 --> 00:00:41,855
It was great to relive that night, you
know, we had some great conversations

15

00:00:41,855 --> 00:00:43,275
and the award ceremony was just

16

00:00:43,275 --> 00:00:43,935
really special.

17

00:00:43,964 --> 00:00:44,964
Yes, it really was.

18

00:00:44,975 --> 00:00:47,324
So if you haven't checked
it out, it is up on YouTube.

19

00:00:47,324 --> 00:00:49,445
You get to see all the
interviews before the show.

20

00:00:49,684 --> 00:00:52,234
And then you get to watch Ken
Jennings hosting the Jeopardy!

21

00:00:52,255 --> 00:00:53,864
Honors, the second annual Jeopardy!

22

00:00:53,864 --> 00:00:58,154
Honors, and giving away some really
exciting awards that we shared last week.

23

00:00:58,365 --> 00:01:03,125
And as we are in the throes of TOC,
our social team last week put up a

24

00:01:03,125 --> 00:01:08,020
hilarious A little behind the scenes

video of some of our TOC contestants,

25

00:01:08,020 --> 00:01:09,810
you know, preparing to take the stage.

26

00:01:09,810 --> 00:01:15,180
You had Chris looking through a
closet full of blue shirts, Ray kind

27

00:01:15,180 --> 00:01:18,580
of playing off the fact that we know
he has an identical twin brother and

28

00:01:18,779 --> 00:01:22,010
hey, they haven't caught on yet as
if he switched places with his twin.

29

00:01:22,349 --> 00:01:26,660
We had Juveria making post its to
herself, don't be weird around Ray.

30

00:01:27,040 --> 00:01:29,630
Bin Chan, Raise the Roof, they
have them with some weights.

31

00:01:29,660 --> 00:01:30,890
Hannah doing Crossword Puzzles.

32

00:01:30,930 --> 00:01:32,280
If you haven't seen it, check that out.

33

00:01:32,290 --> 00:01:33,570
It's on our social channels.

34

00:01:33,570 --> 00:01:38,800
And you know, I think everyone
is just in TOC mania right now.

35

00:01:38,800 --> 00:01:40,300
It's really fun to see.

36

00:01:40,625 --> 00:01:41,175

It all.

37

00:01:41,175 --> 00:01:46,035

And of course, like last year, our social and digital team has created those digital

38

00:01:46,045 --> 00:01:49,065

baseball cards for each of our 27 TOC ers.

39

00:01:49,085 --> 00:01:51,525

You can check those out on our website and check out how

40

00:01:51,525 --> 00:01:54,995

everyone's stats are matching up, because they're pretty impressive.

41

00:01:55,025 --> 00:01:59,780

And, believe it or not, right now, we are Taping the Jeopardy!

42

00:02:00,060 --> 00:02:01,620

Invitational Tournament.

43

00:02:02,110 --> 00:02:03,340

You're hearing it here first.

44

00:02:03,450 --> 00:02:06,700

The last tournament of Season 40.

45

00:02:06,700 --> 00:02:09,210

Right after this, we're getting into regular shows.

46

00:02:09,210 --> 00:02:11,100

We've already been booking contestants.

47

00:02:11,160 --> 00:02:11,400

Nice.

48

00:02:11,410 --> 00:02:13,110

For our tape days in March.

49

00:02:13,110 --> 00:02:17,879

So, for those of you who have been asking, it's happening, and I'm sure

50

00:02:17,879 --> 00:02:20,985

some of you who are listening, have been getting the call because we are

51

00:02:20,985 --> 00:02:22,605

booking people who are in the pool.

52

00:02:22,915 --> 00:02:26,015

And if you're not in the pool, well, you better take that anytime test.

53

00:02:26,015 --> 00:02:30,525

It takes 10 to 15 minutes, and we are looking for great new contestants

54

00:02:30,695 --> 00:02:34,515

to be our next great TOC competitors or our next great Jeopardy!

55

00:02:34,524 --> 00:02:37,074

Invitational Tournament competitors.

56

00:02:37,144 --> 00:02:39,454

This is a field of 27.

57

00:02:39,484 --> 00:02:41,484

These are some of the best players.

58

00:02:41,605 --> 00:02:44,225

from all time on Jeopardy!

59

00:02:44,234 --> 00:02:47,665

And, you know, today's our first day where we're kicking off taping.

60

00:02:47,665 --> 00:02:51,415

So I'm just really excited to

see some of these folks back on

61

00:02:51,415 --> 00:02:52,895
the Alex Trebek stage competing.

62

00:02:52,895 --> 00:02:55,245
You know, some of them haven't
competed in over a decade.

63

00:02:55,645 --> 00:02:56,865
Some in recent years.

64

00:02:57,214 --> 00:02:59,984
We did make a specific cutoff for this.

65

00:03:00,180 --> 00:03:00,390
Okay.

66

00:03:00,390 --> 00:03:01,770
Jeopardy Invitational Tournament.

67

00:03:01,780 --> 00:03:06,480
We, we decided anyone who had
competed in the 2022 Tournament of

68

00:03:06,480 --> 00:03:10,490
Champions, like that season, that we
were going to take qualifiers from

69

00:03:10,490 --> 00:03:14,819
before then, because all of them were
in fact able to qualify for Masters.

70

00:03:14,849 --> 00:03:15,139
Right.

71

00:03:15,189 --> 00:03:18,419
Those who played before
2022, Masters didn't exist.

72

00:03:18,419 --> 00:03:20,680
So we felt that was really

the pool of contestants who

73

00:03:20,680 --> 00:03:22,410

we would reach out to for JIT.

74

00:03:22,705 --> 00:03:26,655

Of course, we only have 27 spots, so there are more great champions than

75

00:03:26,655 --> 00:03:30,005

we can invite this year, but we are intending that this will be an annual

76

00:03:30,005 --> 00:03:33,015

event and we'll get to continue to welcome back some of the Jeopardy greats.

77

00:03:33,105 --> 00:03:33,245

I

78

00:03:33,245 --> 00:03:33,735

can't wait.

79

00:03:33,765 --> 00:03:37,304

I'm, you know, I'm, I'm happy to be in the audience, but also just, I'm a fan.

80

00:03:37,464 --> 00:03:39,425

So such a fan of so many of these people.

81

00:03:39,825 --> 00:03:40,755

It's gonna be good.

82

00:03:40,805 --> 00:03:43,975

And of course, we would have had Buzzy Cohen, but he can't compete

83

00:03:43,975 --> 00:03:47,155

anymore, we've decided, at least for now, because you are certainly on

84

00:03:47,195 --> 00:03:49,204

many people's JIT lists, I will say.

85

00:03:49,215 --> 00:03:49,834

Oh, really?

86

00:03:49,835 --> 00:03:50,115

Yeah.

87

00:03:50,475 --> 00:03:52,395

Oh, that's sweet of them.

88

00:03:52,395 --> 00:03:54,404

If you check it out, they
always say, Buzzy Cohen, if

89

00:03:54,404 --> 00:03:55,944

he's allowed to compete, so.

90

00:03:55,944 --> 00:03:56,234

Yes.

91

00:03:56,470 --> 00:03:57,860

You know you're on our list, Buzzy.

92

00:03:57,890 --> 00:04:00,910

Yeah, I'm happy to, I'm happy to
be doing my part as part of the

93

00:04:00,910 --> 00:04:01,930

Jepperverse.

94

00:04:02,140 --> 00:04:06,520

Well, Buzzy, just last week we saw our
final Champions wildcard come to an end.

95

00:04:06,840 --> 00:04:12,469

Deb Bilodeau being crowned our Champion
and clenching that final 27th spot

96

00:04:12,510 --> 00:04:13,860

in the Tournament of Champions.

97

00:04:14,380 --> 00:04:17,950
Which kicked off on Friday with
an exciting quarterfinal matchup.

98

00:04:17,950 --> 00:04:21,849
Our first of nine with previous
champions wildcard winner, Emily Sands,

99

00:04:21,899 --> 00:04:26,519
six game winner, Suresh Krishnan, and
four game champion, Matthew Marcus.

100

00:04:26,789 --> 00:04:30,279
We're looking forward to highlighting
last week's full week of games.

101

00:04:30,280 --> 00:04:33,669
And later in the pod, we'll be
joined by Deb talking about their big

102

00:04:33,679 --> 00:04:37,669
champions wildcard win and how they have
prepared for the very quick turnaround

103

00:04:37,669 --> 00:04:38,979
into the tournament of champions.

104

00:04:39,450 --> 00:04:42,809
But right now we're going to take a look
back at this week in Jeopardy history.

105

00:04:48,075 --> 00:04:51,725
Mackenzie Jones, were you able to
come up with the correct response?

106

00:04:52,465 --> 00:04:53,674
What is satellite?

107

00:04:53,675 --> 00:04:54,845
Interesting spelling.

108

00:04:56,635 --> 00:04:56,765

I

109

00:04:56,765 --> 00:05:00,365
noticed when you were writing you
wrote down SAT and then you paused

110

00:05:00,365 --> 00:05:05,335
and wrote LITE trying to figure
out which vowel to put in between.

111

00:05:05,845 --> 00:05:07,015
Yeah, you put the wrong one.

112

00:05:07,375 --> 00:05:09,245
But your response is correct.

113

00:05:09,665 --> 00:05:15,275
So, you won't add any money at all,
you'll wind up picking up 20, 600 and

114

00:05:15,275 --> 00:05:19,135
now you have an 8 day total of 204, 808.

115

00:05:22,315 --> 00:05:22,885
Alright,

116

00:05:23,595 --> 00:05:24,175
wait a minute.

117

00:05:26,299 --> 00:05:30,880
It was on this very day back in 2020
when Mackenzie Jones secured her

118

00:05:30,909 --> 00:05:33,710
eighth win, earning over 200, 000.

119

00:05:33,960 --> 00:05:37,380
After putting on a pretty dominant
performance, she secured a runaway

120

00:05:37,380 --> 00:05:41,259
win, and she was also the only

player correct in Final Jeopardy.

121

00:05:41,260 --> 00:05:44,260

I like to consider that the exclamation point on the win.

122

00:05:44,549 --> 00:05:47,380

Her run did end the following day, however, after being

123

00:05:47,380 --> 00:05:48,810

defeated by Aaron Goetsch.

124

00:05:49,039 --> 00:05:52,399

So Mackenzie left us as an eight game champion and then returned the following

125

00:05:52,400 --> 00:05:55,269

year for the 2021 Tournament of Champions.

126

00:05:55,729 --> 00:05:59,780

Little fun fact, Mackenzie's brother, John Lance, was a contestant

127

00:05:59,789 --> 00:06:01,630

on the show during season 36.

128

00:06:02,090 --> 00:06:06,459

He went up against Jason Zafraneri and unfortunately was not able to pull

129

00:06:06,459 --> 00:06:08,439

out a win against a 19 game champion.

130

00:06:08,730 --> 00:06:14,515

But he did, however, appear on the chase where his team defeated None

131

00:06:14,655 --> 00:06:17,715

other than Chaser Buzzy Cohen.

132

00:06:17,755 --> 00:06:18,164

Oh,

133

00:06:18,205 --> 00:06:18,875
goodness me.

134

00:06:19,215 --> 00:06:20,325
Don't you love this little walk

135

00:06:20,325 --> 00:06:20,914
down memory lane?

136

00:06:20,955 --> 00:06:25,005
I did, and I, you know, I knew
that John had been on Jeopardy.

137

00:06:25,005 --> 00:06:29,045
I knew that he said his sister was
in the Tournament of Champions that

138

00:06:29,045 --> 00:06:32,584
I hosted, although I did not know
who it was when we taped, because

139

00:06:32,584 --> 00:06:33,814
I didn't know who this person was.

140

00:06:34,044 --> 00:06:39,014
But I didn't realize that he lost
to Jason, who was also in that

141

00:06:39,014 --> 00:06:41,054
Tournament of Champions with Mackenzie.

142

00:06:41,210 --> 00:06:41,390
Yeah.

143

00:06:41,390 --> 00:06:43,430
I didn't put that whole web together.

144

00:06:43,480 --> 00:06:44,140
Well, it's

145

00:06:44,140 --> 00:06:45,450
a tangled web here at Jeopardy.

146

00:06:45,460 --> 00:06:47,740
I'm trying to deflect from the
fact that his team beat me on the

147

00:06:47,740 --> 00:06:48,170
chase, if anything.

148

00:06:48,170 --> 00:06:49,179
All right, all right.

149

00:06:49,180 --> 00:06:50,090
Well, we're moving on.

150

00:06:50,110 --> 00:06:50,960
Let's just move on.

151

00:06:51,669 --> 00:06:55,310
We kicked off the week with our
second Champions Wildcard semi final

152

00:06:55,310 --> 00:06:59,229
matchup between Deandra D'Alessio,
Deb Bilodeau, and Taylor Claggett.

153

00:06:59,550 --> 00:07:00,680
What a great game this was.

154

00:07:00,680 --> 00:07:04,340
Deb and Deandra neck and neck with
multiple lead changes throughout the game.

155

00:07:04,599 --> 00:07:08,900
They each found and responded correctly
to daily doubles in Double Jeopardy.

156

00:07:09,200 --> 00:07:13,395
But it was Deb who took a narrow lead
heading into final, then All three

157

00:07:13,395 --> 00:07:16,995
players were correct, so Deb's big
wager helped them secure the win.

158

00:07:17,445 --> 00:07:19,515
I want to shout out, you know, we
don't do this that much anymore, but

159

00:07:19,515 --> 00:07:21,045
I do want to shout out the fashion.

160

00:07:21,205 --> 00:07:24,895
D'Andra in that bright pink
top, and Deb with the black on

161

00:07:24,895 --> 00:07:26,625
black, like, leather blazer.

162

00:07:26,705 --> 00:07:27,835
Kind of loving that.

163

00:07:28,045 --> 00:07:30,704
Taylor in his classic clean cut.

164

00:07:30,705 --> 00:07:32,705
It was a real, like, I feel
like I'm on three different

165

00:07:32,705 --> 00:07:34,215
shows right now and I'm loving

166

00:07:34,215 --> 00:07:34,465
it.

167

00:07:34,615 --> 00:07:37,335
Taylor also sporting a pocket square.

168

00:07:37,335 --> 00:07:37,645
Yeah.

169

00:07:37,715 --> 00:07:39,945

And a pin in honor of his niece.

170

00:07:40,264 --> 00:07:45,174

Moving on to Tuesday's game with Kat Jeppsen, Alex Gordon, and Jesse Matheny.

171

00:07:45,554 --> 00:07:49,674

Alex got off to a strong start running the 13 Colonies category,

172

00:07:49,674 --> 00:07:52,144

but Kat was able to take the lead heading into Double Jeopardy.

173

00:07:52,434 --> 00:07:55,374

Jesse then found both Daily Doubles in Double Jeopardy.

174

00:07:55,374 --> 00:07:59,810

He goes All in on both to add 8, 800 to his score, jumping

175

00:07:59,810 --> 00:08:01,380

him to a commanding lead.

176

00:08:01,670 --> 00:08:05,220

Alex did manage to work his way back into contention before final,

177

00:08:05,540 --> 00:08:08,130

but it was Jesse who was the only player to come up with the correct

178

00:08:08,130 --> 00:08:11,079

response, and he secures the last spot.

179

00:08:11,244 --> 00:08:14,544

And in the finals, I have to bring up, we haven't talked about it in

180

00:08:14,544 --> 00:08:17,365

a bit, the running of the category.

181
00:08:17,365 --> 00:08:20,234
We'll have to bring that back up to
Michael, because at one point we were

182
00:08:20,234 --> 00:08:24,634
talking about giving some sort of bonus
that wouldn't impact your score in the

183
00:08:24,635 --> 00:08:28,545
game, but that you would get a bonus
amount, you know, as a result of your

184
00:08:28,614 --> 00:08:30,685
keen knowledge in a specific category.

185
00:08:30,815 --> 00:08:31,375
I think this

186
00:08:31,375 --> 00:08:34,255
is an opportunity for a sponsor situation.

187
00:08:34,284 --> 00:08:34,995
You think?

188
00:08:35,115 --> 00:08:38,594
I know it's been a while, but maybe run
the category, you get a trip to Club

189
00:08:38,594 --> 00:08:38,924
Med.

190
00:08:39,285 --> 00:08:41,284
Oh, I see.

191
00:08:41,285 --> 00:08:43,665
You know, there's nothing a
Jeopardy champion wants more

192
00:08:43,665 --> 00:08:44,675
than a trip to club bed.

193

00:08:44,715 --> 00:08:47,874
I'm just saying, you know, like in
the old, you know, in the old days

194
00:08:47,874 --> 00:08:49,594
there were the furnished gifts.

195
00:08:50,294 --> 00:08:50,704
Yes.

196
00:08:51,055 --> 00:08:51,404
I hear you.

197
00:08:51,405 --> 00:08:51,714
Sarah

198
00:08:51,714 --> 00:08:54,535
does not like this idea, but this
is what makes the pod so good.

199
00:08:54,544 --> 00:08:56,065
She doesn't know what I'm
going to come out with.

200
00:08:56,184 --> 00:08:56,804
I never know.

201
00:08:56,835 --> 00:08:57,654
You never know.

202
00:08:57,825 --> 00:09:01,175
But I think it could be You know, Cash
is King, obviously, super fun, but it

203
00:09:01,175 --> 00:09:04,545
could be, it could be really silly to
get, you know, a set of encyclopedias.

204
00:09:05,315 --> 00:09:05,815
Hey, Martha

205
00:09:05,815 --> 00:09:07,885

Bath got those back in the 60s.

206

00:09:07,925 --> 00:09:09,805

If it worked for Martha,
it could work for us.

207

00:09:10,295 --> 00:09:14,904

Well, I want to also point out Jesse
got a clue about the Hansel culture.

208

00:09:14,984 --> 00:09:18,925

In a model walk off in Zoolander,
this actor as Hansel defeats

209

00:09:18,925 --> 00:09:22,935

Ben Stiller by doing something
indescribable with his underwear.

210

00:09:23,365 --> 00:09:25,545

Jesse does a great Owen Wilson.

211

00:09:25,695 --> 00:09:26,745

Can you do an Owen Wilson?

212

00:09:26,825 --> 00:09:27,275

Wow,

213

00:09:27,285 --> 00:09:29,325

who is, who is Owen, Owen Wilson?

214

00:09:29,525 --> 00:09:30,865

Ah, yes, very good.

215

00:09:30,865 --> 00:09:32,645

And Ken thought it was
pretty solid as well.

216

00:09:32,875 --> 00:09:33,934

I think you're right up there.

217

00:09:34,344 --> 00:09:36,175

Online someone said, you know what?

218

00:09:36,245 --> 00:09:39,215

Jesse saw the opportunity
and by God he took it.

219

00:09:39,224 --> 00:09:40,035

You gotta take the opportunity.

220

00:09:40,044 --> 00:09:42,904

You love those moments when they just
kind of, they land right in your lap.

221

00:09:42,974 --> 00:09:43,574

And you gotta do it.

222

00:09:43,584 --> 00:09:46,435

And during the break, Ken was
actually telling the crowd how much

223

00:09:46,435 --> 00:09:49,200

he liked the Hansel culture category.

224

00:09:49,430 --> 00:09:53,050

And so he actually shouted out
writer Marcus Brown, whose parents

225

00:09:53,060 --> 00:09:55,500

were in the audience on that day.

226

00:09:55,730 --> 00:09:58,850

I can't even imagine as a parent
to one of the Jeopardy writers when

227

00:09:58,850 --> 00:10:02,390

you're in the audience and one of
your children's categories plays so

228

00:10:02,390 --> 00:10:05,110

well and it gets a shout out from
Ken like that's got to be a great.

229

00:10:05,380 --> 00:10:05,910

proud parent.

230
00:10:05,990 --> 00:10:06,240
Yeah.

231
00:10:06,240 --> 00:10:06,410
And

232
00:10:06,420 --> 00:10:07,880
Marcus is one of the newer

233
00:10:07,960 --> 00:10:08,520
writers.

234
00:10:08,530 --> 00:10:10,070
He is one of our newer writers.

235
00:10:10,070 --> 00:10:14,670
He was just promoted last year from
researcher to writer, and he's been adding

236
00:10:14,670 --> 00:10:16,769
some really great material to the game.

237
00:10:16,769 --> 00:10:20,580
I often will look down and it's indeed
a Marcus Brown category for him.

238
00:10:20,800 --> 00:10:25,330
Another great category, uh, describing
the song that Marcus Brown did recently,

239
00:10:25,330 --> 00:10:30,880
and you never realize how tricky it is
to get someone to a response of what

240
00:10:30,890 --> 00:10:35,630
a song was, and he had everything from
Thriller to Hotline Bling to Piano

241
00:10:35,630 --> 00:10:37,719
Man to Just a Friend to Regulate.

242

00:10:38,469 --> 00:10:41,210
I think that was a couple weeks ago, but really love seeing some

243

00:10:41,210 --> 00:10:44,250
of the great material that Marcus Brown is adding to the game board.

244

00:10:44,905 --> 00:10:47,855
Deb, Jessie, and Mira returned on Wednesday for our two

245

00:10:47,855 --> 00:10:49,105
day Total Point Affair.

246

00:10:49,105 --> 00:10:52,105
This was a tight game between all three players throughout, but Deb took a

247

00:10:52,105 --> 00:10:53,895
slight lead heading into Double Jeopardy.

248

00:10:54,255 --> 00:10:58,055
Jessie dropped down to zero after missing a big true daily double.

249

00:10:58,275 --> 00:10:59,635
They don't always go your way.

250

00:10:59,924 --> 00:11:03,585
While Deb and Mira steadily built on their scores, and it was Deb who

251

00:11:03,585 --> 00:11:05,415
took the lead heading into Final.

252

00:11:05,865 --> 00:11:09,925
There, they were the only player correct, and with a big 8, 000 wager.

253

00:11:10,215 --> 00:11:15,265

They took a commanding lead heading into day two with Jesse and Mira tied at 2800.

254

00:11:15,505 --> 00:11:20,835
Yeah, we, we sometimes like to underplay the difference between first and,

255

00:11:20,845 --> 00:11:25,205
you know, second or third, uh, after, you know, one day of a two day final.

256

00:11:25,415 --> 00:11:26,934
This is not one to underplay.

257

00:11:26,945 --> 00:11:28,239
This is, you know, you need to.

258

00:11:28,310 --> 00:11:29,180
a big lead.

259

00:11:29,250 --> 00:11:31,470
If you're Jesse or Mira to stay

260

00:11:31,490 --> 00:11:32,010
in this.

261

00:11:32,060 --> 00:11:34,780
Well, Ken caught up to the three finalists after this game.

262

00:11:34,800 --> 00:11:38,210
Let's take a listen to hear how they're feeling heading into day two.

263

00:11:40,160 --> 00:11:41,089
Congratulations, Deb.

264

00:11:41,169 --> 00:11:42,869
Came up with the correct final response.

265

00:11:42,879 --> 00:11:43,629
Thanks.

266
00:11:43,699 --> 00:11:45,429
Shout out to Tombstone, Kurt Russell.

267
00:11:46,269 --> 00:11:46,780
Is that true?

268
00:11:46,789 --> 00:11:47,239
Hollywood

269
00:11:47,260 --> 00:11:48,539
taught you about the OK Corral?

270
00:11:49,020 --> 00:11:49,190
Uh,

271
00:11:49,190 --> 00:11:49,570
yeah.

272
00:11:51,390 --> 00:11:54,970
Jesse, you played a great game, but, uh,
you know, that was a tough Daily Double.

273
00:11:54,970 --> 00:11:57,070
Were you, in fact, going back
and forth between two responses?

274
00:11:57,080 --> 00:11:57,460
Yeah,

275
00:11:57,460 --> 00:11:59,870
and in hindsight, of course,
like, it's an animal.

276
00:11:59,940 --> 00:12:01,070
Go with the Galapagos.

277
00:12:01,230 --> 00:12:02,990
I did the same thing when I saw that clue.

278
00:12:03,009 --> 00:12:04,850

Sometimes that's just how it is.

279

00:12:05,560 --> 00:12:08,287

That made a big difference in the score, but again, you know, tomorrow

280

00:12:08,287 --> 00:12:12,070

there's gonna be four chances for big wagers, three Daily Doubles and a Final.

281

00:12:12,400 --> 00:12:14,510

Deb, how are you feeling with that lead heading into Game 2?

282

00:12:15,000 --> 00:12:15,750

Anything can happen.

283

00:12:15,810 --> 00:12:19,645

They're both great players, so I I would expect nothing less than

284

00:12:19,895 --> 00:12:22,185

never be a cakewalk on the show and especially not with these

285

00:12:22,194 --> 00:12:22,255

two.

286

00:12:22,255 --> 00:12:26,594

You may still have to play aggressively even with a 19,000 lead nearly.

287

00:12:26,665 --> 00:12:26,895

I

288

00:12:26,915 --> 00:12:27,675

definitely will.

289

00:12:28,045 --> 00:12:28,415

Okay,

290

00:12:29,165 --> 00:12:30,125

best of luck to all three of you.

291

00:12:30,135 --> 00:12:31,135

We'll see what happens tomorrow.

292

00:12:32,935 --> 00:12:35,955

And moving on to Thursday, for
day two of the finals, all three

293

00:12:35,955 --> 00:12:38,525

players pretty evenly matched at
the end of the Jeopardy round.

294

00:12:38,535 --> 00:12:41,745

In double Jeopardy, Jesse put
himself back in contention with the

295

00:12:41,745 --> 00:12:45,034

help of a big 7, 400 daily double.

296

00:12:45,034 --> 00:12:46,184

You win some, you lose some.

297

00:12:46,184 --> 00:12:47,605

This one goes Jesse's way.

298

00:12:47,905 --> 00:12:50,035

Mira then found the final daily double.

299

00:12:50,085 --> 00:12:53,075

She also goes all in, but
unfortunately could not come

300

00:12:53,075 --> 00:12:54,375

up with the correct response.

301

00:12:54,745 --> 00:12:58,835

Mira and Deb worked to build up their
scores, but it was Jesse who took a

302

00:12:58,835 --> 00:13:00,725

commanding lead heading into final.

303
00:13:01,295 --> 00:13:05,314
In that round, he wagered almost
everything, but it was a triple stumper

304
00:13:05,325 --> 00:13:10,025
in final, giving Deb the win and the
final spot in the Tournament of Champions.

305
00:13:10,534 --> 00:13:13,965
Something came up in this game
that people sometimes wonder about.

306
00:13:13,994 --> 00:13:16,145
The category was advertising slogans.

307
00:13:16,175 --> 00:13:19,445
The clue Capital One asks
this four word question.

308
00:13:19,805 --> 00:13:20,855
Jesse responds.

309
00:13:21,235 --> 00:13:22,815
What's in your wallet?

310
00:13:23,145 --> 00:13:26,885
And sometimes people wonder, is that okay?

311
00:13:26,895 --> 00:13:27,495
Do you have to

312
00:13:27,495 --> 00:13:29,474
add, what is what's in your

313
00:13:29,474 --> 00:13:29,814
wallet?

314
00:13:29,885 --> 00:13:32,965
Just a reminder to everyone at
home, it is in the form of a

315
00:13:32,965 --> 00:13:35,264
question, so that counts, that

316
00:13:35,265 --> 00:13:35,735
works.

317
00:13:35,805 --> 00:13:39,185
I think it would be fun for the
writers to do an entire category

318
00:13:39,185 --> 00:13:41,315
where the responses are questions.

319
00:13:42,000 --> 00:13:42,110
Do

320
00:13:42,110 --> 00:13:43,260
you think they haven't done it?

321
00:13:43,470 --> 00:13:45,690
I don't know, I feel like in
40 years they probably have.

322
00:13:45,820 --> 00:13:46,140
I love it.

323
00:13:46,150 --> 00:13:46,560
Already

324
00:13:46,560 --> 00:13:47,670
in the form of a question.

325
00:13:47,700 --> 00:13:47,840
I

326
00:13:47,840 --> 00:13:48,270
like it.

327
00:13:48,460 --> 00:13:52,950
And then to see if the contestants
add the what is or not.

328
00:13:53,510 --> 00:13:54,040
That would be

329
00:13:54,070 --> 00:13:54,240
good.

330
00:13:54,270 --> 00:13:55,960
Give us something to talk
about here on the pod.

331
00:13:56,120 --> 00:13:57,589
We can always use something
else to talk about.

332
00:13:57,680 --> 00:13:58,620
So, I like it.

333
00:13:59,375 --> 00:14:01,185
Well, congratulations to Deb.

334
00:14:01,285 --> 00:14:04,655
They will return to the Alex Trebek
stage next week to face off against

335
00:14:04,665 --> 00:14:06,555
Troy Meyer and Sean McShane.

336
00:14:06,865 --> 00:14:09,055
And later in the pod,
Deb will be joining us.

337
00:14:09,055 --> 00:14:13,685
But right now, it's time to discuss the
first of the Tournament of Champions

338
00:14:13,745 --> 00:14:19,324
quarterfinal matchups, Emily Sands,
Suresh Krishnan, and Matthew Marcus.

339
00:14:19,565 --> 00:14:22,705
It was a slow start for our players,

but Emily finished the Jeopardy

340

00:14:22,705 --> 00:14:25,675
round with the lead and really took
off in double Jeopardy, finding the

341

00:14:25,675 --> 00:14:29,255
first Daily Double, betting big,
skyrocketing her lead even further.

342

00:14:29,255 --> 00:14:33,575
Suresh then found the last Daily Double
and also went all in, but he wasn't able

343

00:14:33,575 --> 00:14:37,455
to come up with the correct response and
unfortunately did not make it to final.

344

00:14:37,854 --> 00:14:41,424
Emily, though, cruised into that
round with a no doubt runaway.

345

00:14:41,835 --> 00:14:44,045
becoming our first TOC semi finalist.

346

00:14:44,315 --> 00:14:44,725
This is our

347

00:14:44,735 --> 00:14:51,904
first TOC champions wildcard contestant
showing that, you know, the crop from

348

00:14:51,905 --> 00:14:56,265
these champion wildcard competitions is
just as good as these great multi game

349

00:14:56,265 --> 00:14:56,885
champions.

350

00:14:56,995 --> 00:14:59,324
Yes, and you have to love
Emily's final Jeopardy!

351
00:14:59,324 --> 00:15:02,244
response, knowing that she has
a runaway who are the greatest

352
00:15:02,254 --> 00:15:04,394
people in the universe, Jeopardy!

353
00:15:04,594 --> 00:15:05,224
fans.

354
00:15:05,264 --> 00:15:08,424
Emily has talked about, you know, just
all the love and support she's received

355
00:15:08,434 --> 00:15:13,155
not only from her fellow competitors, but
also just from the Jeopardy community.

356
00:15:13,155 --> 00:15:14,295
We love to hear that.

357
00:15:14,885 --> 00:15:17,105
Another thing you might've
noticed in this game.

358
00:15:17,610 --> 00:15:18,740
Matthew Marcus.

359
00:15:18,790 --> 00:15:19,220
Yes.

360
00:15:19,230 --> 00:15:21,350
He looks a little bit different.

361
00:15:21,360 --> 00:15:21,750
Yes.

362
00:15:21,820 --> 00:15:22,930
A lot different.

363
00:15:22,940 --> 00:15:23,550

A lot different.

364

00:15:23,590 --> 00:15:25,970

Ken joked, you know, when he went to take the picture, he's like, didn't

365

00:15:25,970 --> 00:15:27,929

you have facial hair last time?

366

00:15:27,929 --> 00:15:30,840

And Jimmy told everyone in the audience, Matthew got a haircut,

367

00:15:31,000 --> 00:15:31,560

everybody.

368

00:15:31,690 --> 00:15:32,849

I mean, it's a complete 180.

369

00:15:32,849 --> 00:15:35,579

He went from long hair to short hair, facial hair to no facial

370

00:15:35,580 --> 00:15:36,980

hair, no glasses to glasses.

371

00:15:36,990 --> 00:15:41,540

It's kind of a reverse Ray Lalonde, where there's multiple people who look like Ray.

372

00:15:41,640 --> 00:15:42,750

Matthew looks like

373

00:15:42,750 --> 00:15:43,550

multiple people.

374

00:15:43,705 --> 00:15:47,415

Yes, I'm not convinced that Matthew Marcus doesn't have an identical

375

00:15:47,415 --> 00:15:51,235

twin and that this is actually

his identical twin competing.

376

00:15:51,405 --> 00:15:52,245
I do want to point

377

00:15:52,245 --> 00:15:55,345
out, Suresh had a very cool signature.

378

00:15:55,485 --> 00:16:00,365
I think maybe the night before
being honors and seeing that, uh, a

379

00:16:00,375 --> 00:16:06,094
multilingual name signature won, Suresh
was inspired, and I believe this is Tomo?

380

00:16:06,510 --> 00:16:06,979
Yes.

381

00:16:07,020 --> 00:16:09,680
And in fact, we always do our research.

382

00:16:09,709 --> 00:16:14,749
So, uh, one of the members of the
contestant team reached out and said, you

383

00:16:14,750 --> 00:16:16,689
know, he wants to do his name in Tamil.

384

00:16:16,699 --> 00:16:17,340
He's written it.

385

00:16:17,350 --> 00:16:19,519
Can someone please verify?

386

00:16:19,519 --> 00:16:22,449
And so our researchers then
went and checked to see if the

387

00:16:22,449 --> 00:16:23,909
characters he had used were correct.

388

00:16:24,050 --> 00:16:26,290
indeed spelled Suresh in Tamil.

389

00:16:26,520 --> 00:16:27,420
It was close.

390

00:16:27,780 --> 00:16:30,589
Uh, there's, you know, different
interpretations, but we

391

00:16:30,589 --> 00:16:31,870
felt like it was good to go.

392

00:16:31,910 --> 00:16:35,969
And Suresh, I'm certain you will be in
the running for Best Signature next year.

393

00:16:36,219 --> 00:16:39,339
Suresh joined his fellow
competitors after the game.

394

00:16:39,370 --> 00:16:41,130
Let's take a listen to
what they all had to say.

395

00:16:44,339 --> 00:16:45,369
Emily, congratulations.

396

00:16:45,380 --> 00:16:45,969
Thank you, Ken.

397

00:16:46,079 --> 00:16:46,949
Was it all a blur,

398

00:16:46,949 --> 00:16:47,939
or are you getting good at this by now?

399

00:16:48,619 --> 00:16:50,359
No, I don't think there's
any getting used to this.

400

00:16:52,009 --> 00:16:55,199
I feel good when I'm playing, but
now like that, we're not in breaks.

401
00:16:55,219 --> 00:16:59,040
I'm shaking the whole time, but I can, I
can settle down when, when we're playing.

402
00:16:59,040 --> 00:16:59,839
So that's when it counts.

403
00:17:00,490 --> 00:17:03,150
Suresh, it was tough to say goodbye
to you like that, but you made big

404
00:17:03,150 --> 00:17:06,560
wagers on two Daily Doubles like
you had to do against tough players.

405
00:17:06,720 --> 00:17:06,960
Yeah,

406
00:17:06,960 --> 00:17:07,180
I was

407
00:17:07,190 --> 00:17:09,929
like, you know, really, the buzzer
thing was like off a little bit,

408
00:17:09,930 --> 00:17:11,289
so I had to really take my chances.

409
00:17:11,289 --> 00:17:13,859
So whenever I had a chance, I
had to go all in, I had to try.

410
00:17:13,880 --> 00:17:16,470
And it looks like you didn't
watch a worn VHS copy of The

411
00:17:16,470 --> 00:17:18,890
NeverEnding Story a hundred times
in your childhood like I did.

412

00:17:18,900 --> 00:17:20,180
I had it here,

413

00:17:20,190 --> 00:17:21,570
like it just didn't come out.

414

00:17:21,570 --> 00:17:22,400
You know, it's my recall

415

00:17:22,400 --> 00:17:23,240
thing, you know, so.

416

00:17:23,530 --> 00:17:24,880
Matthew, you played well.

417

00:17:25,040 --> 00:17:27,450
You got some British content,
you got some American content.

418

00:17:27,459 --> 00:17:29,050
We threw the American Revolution your way.

419

00:17:29,050 --> 00:17:29,689
Rawr!

420

00:17:30,290 --> 00:17:32,560
We don't talk about the
American Revolution again.

421

00:17:32,820 --> 00:17:33,820
Still a sore subject.

422

00:17:34,490 --> 00:17:38,180
Well, when you make it on the Stephen
Fry show, you two can roast America and

423

00:17:38,180 --> 00:17:40,600
the Revolution to your heart's content.

424

00:17:41,050 --> 00:17:42,079

Emily, how are you feeling about

425

00:17:42,079 --> 00:17:42,690
the semifinals?

426

00:17:42,900 --> 00:17:44,659
Uh, still in a little bit of shock.

427

00:17:44,690 --> 00:17:48,210
I was fully prepared for this to be
my last appearance on the Alex Trebek

428

00:17:48,249 --> 00:17:50,910
stage, and to keep going is just a dream.

429

00:17:51,455 --> 00:17:53,855
Well that wraps up our game highlights.

430

00:17:53,905 --> 00:17:56,625
Now it's time for this week's host chat.

431

00:17:57,024 --> 00:18:00,615
An audience member asked Ken,
what's your snack food of choice?

432

00:18:01,465 --> 00:18:02,405
Snack food

433

00:18:02,444 --> 00:18:03,354
of choice.

434

00:18:03,685 --> 00:18:06,045
I feel like white cheddar Cheez
Its are kind of the perfect

435

00:18:06,045 --> 00:18:08,254
food and it breaks my heart.

436

00:18:08,295 --> 00:18:10,925
You know, when I think about how
many hundreds of thousands of people,

437
00:18:11,035 --> 00:18:13,965
millions of people live without ever
eating a white cheddar Cheez It.

438
00:18:14,435 --> 00:18:16,055
Lived and died without
having a single one.

439
00:18:16,065 --> 00:18:16,305
Doesn't

440
00:18:16,305 --> 00:18:16,745
seem fair.

441
00:18:17,735 --> 00:18:18,555
Would you have guessed it?

442
00:18:18,725 --> 00:18:18,865
I

443
00:18:18,865 --> 00:18:19,243
would not.

444
00:18:19,243 --> 00:18:20,116
White cheddar cheez its?

445
00:18:20,116 --> 00:18:21,155
I would not have guessed it.

446
00:18:21,155 --> 00:18:24,754
And yet there's something so
white cheddar cheez it about Ken.

447
00:18:26,655 --> 00:18:27,854
Do you have a favorite snack,

448
00:18:27,854 --> 00:18:28,214
Buzzy?

449
00:18:28,415 --> 00:18:28,855
I do.

450

00:18:28,894 --> 00:18:30,475

I eat a lot of cashews.

451

00:18:30,675 --> 00:18:32,725

Alexa, our podcast
producer, just said, boring.

452

00:18:32,894 --> 00:18:34,965

Well, you know, I'm like a
fitness guy a little bit.

453

00:18:34,965 --> 00:18:37,544

So cashews are like a safe, a safe bet.

454

00:18:37,564 --> 00:18:41,824

And you know, there are other nuts in
rotation, but cashews are like always

455

00:18:41,824 --> 00:18:43,925

there and I always kind of emphasize them.

456

00:18:44,235 --> 00:18:44,534

Got it.

457

00:18:44,895 --> 00:18:48,205

So disappointed in me,
everybody in this podcast.

458

00:18:48,235 --> 00:18:49,575

So that's enough about me.

459

00:18:49,585 --> 00:18:50,945

Sarah, do you have a favorite snack?

460

00:18:52,534 --> 00:18:53,335

Well, I do.

461

00:18:53,645 --> 00:18:54,975

I like Will you share it with us?

462

00:18:54,985 --> 00:18:55,485
I will.

463
00:18:55,524 --> 00:18:58,845
And Carlos, our other podcast producer,
does not approve because my favorite

464
00:18:58,845 --> 00:19:02,955
snack is mini peppers, not cut up
or anything, just dipped in hummus.

465
00:19:02,984 --> 00:19:03,645
Yeah, I like that.

466
00:19:03,725 --> 00:19:04,434
What's wrong with that?

467
00:19:04,484 --> 00:19:07,274
Carlos, he can't, he just does
not understand how one would

468
00:19:07,274 --> 00:19:10,364
take a whole pepper, it's a mini
pepper, and dip it in hummus.

469
00:19:10,365 --> 00:19:14,425
Does he want you to take like a bell
pepper and slice it up and dip it?

470
00:19:14,445 --> 00:19:15,555
Is that what he would prefer?

471
00:19:15,955 --> 00:19:16,615
It's not a snack, he says.

472
00:19:16,615 --> 00:19:18,495
It's not, it is very much a snack.

473
00:19:18,495 --> 00:19:20,115
It's a very much a snack,
and it is delicious.

474

00:19:20,135 --> 00:19:24,294
And Carlos and maybe Alexa are
missing out on cashews and hummus.

475
00:19:24,415 --> 00:19:24,795
Yeah.

476
00:19:24,844 --> 00:19:27,074
And, no, Alexa does
love hummus and peppers.

477
00:19:27,074 --> 00:19:28,295
But I think she's missing out on cashews.

478
00:19:28,295 --> 00:19:28,924
But she doesn't like cashews.

479
00:19:28,924 --> 00:19:30,125
And Carlos is missing out on

480
00:19:30,125 --> 00:19:30,465
other snacks.

481
00:19:30,505 --> 00:19:33,194
You know what, you and I will
be eating healthy and healthy.

482
00:19:33,485 --> 00:19:37,735
Alexa and Carlos and Ken will be
eating their white cheddar Cheez Its

483
00:19:37,735 --> 00:19:41,615
and we will be here fit, ready to
compete on the amazing race together.

484
00:19:41,865 --> 00:19:42,205
All right.

485
00:19:42,205 --> 00:19:43,775
Switching gears just a bit.

486
00:19:43,805 --> 00:19:45,855

It is now time to welcome to the pod.

487

00:19:45,874 --> 00:19:49,215

Our final champions wildcard
winner, Deb Bilodeau.

488

00:19:49,215 --> 00:19:51,064

Deb, thank you so much for joining us.

489

00:19:51,130 --> 00:19:53,140

Hi, thank you for having me.

490

00:19:53,310 --> 00:19:59,270

Well, we're catching up with you just
days after your thrilling final has

491

00:19:59,290 --> 00:20:02,709

aired, and obviously you're now in the
throes of the Tournament of Champions.

492

00:20:02,710 --> 00:20:05,290

Tell us how it's been
for you in recent weeks.

493

00:20:05,630 --> 00:20:05,809

Oh

494

00:20:05,809 --> 00:20:10,560

boy, um, I've kind of felt like,
uh, secret agent or something

495

00:20:10,560 --> 00:20:14,110

like, you know, trying to preserve
my cover, uh, a little bit, you

496

00:20:14,110 --> 00:20:15,510

know, trying to be on the down low.

497

00:20:15,520 --> 00:20:20,550

So it's been a, it's been quite a crazy
experience just to go right from Champions

498

00:20:20,559 --> 00:20:22,310
Wildcard to the Tournament of Champions.

499
00:20:22,420 --> 00:20:25,740
It's never really expected to be
here, but it's been a lot of fun.

500
00:20:26,360 --> 00:20:30,090
Well, and one thing that our listeners
wouldn't know is that on the promo

501
00:20:30,090 --> 00:20:31,720
day for the Tournament of Champions.

502
00:20:32,335 --> 00:20:35,254
Your finals hadn't aired yet,
so we couldn't include you in

503
00:20:35,415 --> 00:20:38,385
some of the promotional material
because we would have a spoiler.

504
00:20:38,565 --> 00:20:42,175
So we had that photo shoot with all
27, and we'd be like, Come on in, Deb!

505
00:20:42,654 --> 00:20:44,014
Okay, you can be in this one.

506
00:20:44,014 --> 00:20:45,575
Okay, Deb, now go on out.

507
00:20:45,595 --> 00:20:48,014
That was, you know, that's
never happened before.

508
00:20:48,875 --> 00:20:49,355
Yeah.

509
00:20:49,784 --> 00:20:52,895
Yes, people were joking about, uh,
that I should be like, you know,

510
00:20:52,935 --> 00:20:56,415
photoshopped in as like a silhouette
with a big question mark, you know.

511
00:20:56,845 --> 00:20:59,215
Like a mystery, mystery date.

512
00:20:59,625 --> 00:20:59,835
Yes.

513
00:21:00,514 --> 00:21:04,125
Tell me what it has been
like to just be a part.

514
00:21:04,215 --> 00:21:08,165
You know, first you came off of a
group of 27 for Champions Wildcard.

515
00:21:08,194 --> 00:21:11,395
And then coming into another group
of 27 for Tournament of Champions.

516
00:21:11,395 --> 00:21:13,675
That's 53 new best buddies, right?

517
00:21:13,845 --> 00:21:13,945
A

518
00:21:13,945 --> 00:21:17,024
lot of new best buddies and a lot of
people who were previously just talking

519
00:21:17,024 --> 00:21:19,625
heads on my TV, who now are real people.

520
00:21:19,635 --> 00:21:23,554
A lot of people have made a
comparison to um, like a summer camp.

521
00:21:23,925 --> 00:21:27,870
And it's definitely kind
of, kind of felt Like that.

522

00:21:27,909 --> 00:21:31,429

A little bit of like a jury sequestration situation maybe for Tournament of

523

00:21:31,429 --> 00:21:35,249

Champions, just because it's like, oh my god, a little, slightly more pressurized.

524

00:21:35,439 --> 00:21:38,469

I've never been in a room where I'm not necessarily like

525

00:21:38,489 --> 00:21:39,909

the biggest nerd, I think.

526

00:21:39,969 --> 00:21:43,070

Generally, like, you know, out of my friends, I'm the like, person

527

00:21:43,070 --> 00:21:45,769

who's gonna come up with the random facts, and a lot of these people

528

00:21:45,769 --> 00:21:49,110

really, really wound me, but it's been really great, yeah, hanging out.

529

00:21:49,820 --> 00:21:53,590

At the hotel with everyone and I don't know, just kind of getting to

530

00:21:53,590 --> 00:21:57,610

know all these people with all these kind of diverse life experiences.

531

00:21:57,679 --> 00:22:01,209

People who are really into quizzing or like people who like a lot of, you know,

532

00:22:01,209 --> 00:22:03,590

accomplished lawyers and all this stuff.

533

00:22:03,689 --> 00:22:04,479
It's really cool.

534

00:22:04,669 --> 00:22:08,970
So Deb, you came in a one day
champion to the Champions Wildcard.

535

00:22:09,459 --> 00:22:12,510
Did you feel like, had
you prepared differently?

536

00:22:12,510 --> 00:22:16,699
How did you feel like you stacked
up or you sizing up the competition?

537

00:22:16,850 --> 00:22:17,320
In terms

538

00:22:17,320 --> 00:22:21,930
of, like, prep for Wildcard, thankfully
I hadn't gotten rid of my, like, study

539

00:22:21,930 --> 00:22:26,160
notebooks, so I was just kind of,
like, able to build off that a bit.

540

00:22:26,180 --> 00:22:29,379
I had thrown away my maps,
so I had to redraw some maps.

541

00:22:29,399 --> 00:22:34,059
But in terms of, like, sizing other
people up, For me, the game, the, the

542

00:22:34,059 --> 00:22:38,600
head game is kind of with myself, and
I feel like I'm kind of my, like, not

543

00:22:38,600 --> 00:22:42,409
really opponent, but kind of, I'm playing
against myself, if that makes sense, or

544

00:22:42,409 --> 00:22:47,019
it's like, I'm the person buzzing in, and
I, you know, I need not get psyched out.

545
00:22:47,089 --> 00:22:52,110
Yeah, and you had a pretty exciting come
from behind win in the quarterfinals.

546
00:22:52,159 --> 00:22:56,179
Going from that come from behind win
into the semis, were you feeling like,

547
00:22:56,249 --> 00:22:59,860
oh, I kind of like skated by, or were
you just like in it, ready to go?

548
00:23:00,645 --> 00:23:06,705
I definitely felt like I at the same
time got lucky and then also kind of

549
00:23:07,485 --> 00:23:11,834
in a redemptive turn made a very like
savvy wager so I didn't really feel

550
00:23:11,845 --> 00:23:17,235
like I got like it was pure happenstance
because no absolutely not how I lost

551
00:23:17,235 --> 00:23:20,975
my my second game was just like over
wagering so I definitely felt like a lot

552
00:23:20,975 --> 00:23:24,645
of redemption and I was just like well I
didn't really expect to make it past the

553
00:23:24,645 --> 00:23:28,975
quarterfinals so I was just kind of like
There to see what happens and, and have

554
00:23:28,985 --> 00:23:29,425
fun.

555

00:23:29,725 --> 00:23:33,435
Well, and heading into the semis then,
you are all correct in final, you have

556
00:23:33,435 --> 00:23:36,894
a big wager, and you just kind of get
to put an exclamation point on that win.

557
00:23:37,365 --> 00:23:40,754
It was after that game, I think, where
I learned something interesting, and

558
00:23:40,754 --> 00:23:46,390
that is the fact that you had Lost
your glasses, and that people on the

559
00:23:46,390 --> 00:23:49,740
internet were gonna think that, you
know, you weren't really enjoying

560
00:23:49,740 --> 00:23:53,479
yourself, but it was really that you were
squinting trying to see a game board.

561
00:23:53,490 --> 00:23:56,999
That is, the fact that you pulled off
the win with that going on in Champions

562
00:23:56,999 --> 00:23:58,419
Wildcard is even more impressive.

563
00:23:59,320 --> 00:24:03,500
Yeah, thankfully my prescription isn't
too strong, so I mean, definitely

564
00:24:03,500 --> 00:24:07,340
can see myself, you know, now that
I've had a viewing party or two, I

565
00:24:07,340 --> 00:24:10,940
can see myself really like squinting
at the board and people like must

566

00:24:10,940 --> 00:24:14,620
think I have some kind of like hockey
game face going on where I'm like.

567
00:24:14,800 --> 00:24:17,590
Trying to be really intimidating,
but I'm really just trying to make

568
00:24:17,590 --> 00:24:18,950
sure that the text is kind of in

569
00:24:19,000 --> 00:24:19,540
focus.

570
00:24:19,630 --> 00:24:23,520
And you also commented in that post game
chat that you felt like the internet

571
00:24:23,520 --> 00:24:27,609
people, that they are saying, you know,
it doesn't seem like Deb likes the

572
00:24:27,609 --> 00:24:29,920
game, but you said, I love this game.

573
00:24:29,920 --> 00:24:30,969
I grew up watching it.

574
00:24:30,970 --> 00:24:31,130
I love

575
00:24:31,269 --> 00:24:31,570
this game.

576
00:24:31,640 --> 00:24:33,349
Yeah, it's so funny.

577
00:24:33,380 --> 00:24:35,819
I mean, I think maybe part
of, part of it is that.

578
00:24:36,375 --> 00:24:39,485

I mean, everyone's a little bit nervous
and that manifests in different ways.

579

00:24:39,485 --> 00:24:42,905
And maybe I'm just like kind of
trying to keep myself very calm and

580

00:24:42,905 --> 00:24:47,564
level because I'm kind of a wacky,
wacky person, if that makes sense.

581

00:24:48,004 --> 00:24:51,725
Um, so I'm just trying to be very
like chill and keep myself together.

582

00:24:51,725 --> 00:24:53,125
And maybe that's how it comes off.

583

00:24:53,185 --> 00:24:54,649
My mom loves to joke that.

584

00:24:55,030 --> 00:24:57,259
Wheel of Fortune is what
taught me how to read.

585

00:24:57,310 --> 00:25:00,360
Um, but I've been watching Jeopardy
like as long as I can remember.

586

00:25:00,399 --> 00:25:04,999
So it was like always a dream even when I
was like a little kid to go on the show.

587

00:25:05,069 --> 00:25:07,149
Especially like, you know,
when Alex was hosting.

588

00:25:07,159 --> 00:25:09,629
So it's so funny that like it
doesn't seem like I'm having fun

589

00:25:09,639 --> 00:25:11,239
because I'm really having a blast.

590

00:25:11,389 --> 00:25:14,560

I guess I'm also just concentrating
and yeah, you know, literally trying

591

00:25:14,560 --> 00:25:15,044

to focus.

592

00:25:16,810 --> 00:25:18,625

And now a quick word from our sponsor.

593

00:25:19,195 --> 00:25:24,834

Selling a little or a lot
Shopify helps you do your thing.

594

00:25:24,864 --> 00:25:26,124

However you cha-Ching.

595

00:25:26,155 --> 00:25:29,574

Shopify is the global commerce
platform that helps you sell at

596

00:25:29,574 --> 00:25:31,014

every stage of your business.

597

00:25:31,044 --> 00:25:35,395

From the launcher online shop stage
to the first real life store stage.

598

00:25:35,835 --> 00:25:38,965

All the way to the, did we just
hit a million orders, stage?

599

00:25:39,395 --> 00:25:40,975

Shopify's there to help you grow.

600

00:25:41,415 --> 00:25:44,904

From their all in one e commerce
platform to their in person point of

601

00:25:44,904 --> 00:25:49,545

sale system, wherever and whatever you're

selling, Shopify's got you covered.

602

00:25:50,005 --> 00:25:53,235

Shopify powers 10 percent
of all e commerce in the U.

603

00:25:53,235 --> 00:25:53,555

S.

604

00:25:53,655 --> 00:25:57,455

Plus, they have the internet's best
converting checkout, 36 percent

605

00:25:57,465 --> 00:26:00,635

better on average compared to
other leading commerce platforms.

606

00:26:00,785 --> 00:26:04,485

What I love about Shopify is how simple
they've made it to grow your business.

607

00:26:04,725 --> 00:26:08,025

You can manage inventory, track
payments, and view real time

608

00:26:08,035 --> 00:26:09,845

insights all in one place.

609

00:26:09,985 --> 00:26:13,555

Shopify is there to support your
success every step of the way, because

610

00:26:13,555 --> 00:26:15,905

businesses that grow, grow with Shopify.

611

00:26:15,905 --> 00:26:19,624

Sign up for a 1 per month
trial period at shopify.

612

00:26:19,664 --> 00:26:21,845

com slash jeopardy, all lowercase.

613

00:26:22,395 --> 00:26:23,295
Go to shopify.

614
00:26:23,335 --> 00:26:27,485
com slash jeopardy now to grow your
business no matter what stage you're in.

615
00:26:27,940 --> 00:26:28,750
Shopify.

616
00:26:28,750 --> 00:26:30,649
com slash Jeopardy.

617
00:26:31,380 --> 00:26:33,350
Now, back to Inside Jeopardy.

618
00:26:34,840 --> 00:26:36,690
Well, tell us about your Jeopardy journey.

619
00:26:36,690 --> 00:26:39,140
When did you decide to start trying out?

620
00:26:39,149 --> 00:26:40,499
How long did it take?

621
00:26:40,680 --> 00:26:42,219
What was your experience like?

622
00:26:42,500 --> 00:26:48,360
I think I took the online test maybe
for the first time in like 2018, and

623
00:26:48,360 --> 00:26:53,190
then I think I had a An in person
audition, um, sometime in 2018.

624
00:26:53,190 --> 00:26:56,420
I mean, I think I was in the
pool for a while, um, I moved.

625
00:26:56,960 --> 00:26:59,660
To the East Coast and

started like farming.

626

00:26:59,660 --> 00:27:04,110
And I think I got a call in 2020
that they wanted me for the show.

627

00:27:04,110 --> 00:27:06,970
But I think that was like when
they were just starting to reopen,

628

00:27:07,040 --> 00:27:08,410
they thought I was in the Bay area.

629

00:27:08,410 --> 00:27:12,180
Cause that's how I had auditioned,
but was not at the time I.

630

00:27:12,245 --> 00:27:15,215
I guess I took the online test
again and then I had a one on

631

00:27:15,215 --> 00:27:17,155
one Zoom audition with Jimmy.

632

00:27:18,785 --> 00:27:19,115
People are always like,

633

00:27:19,135 --> 00:27:19,415
what?

634

00:27:20,025 --> 00:27:23,275
I know, this is, I always tell this,
Jimmy and I, you know, during COVID,

635

00:27:23,314 --> 00:27:25,485
everyone all hands in, how can you help?

636

00:27:25,805 --> 00:27:27,585
So we were doing
contestant auditions, yeah.

637

00:27:27,655 --> 00:27:28,015

Well, and I

638

00:27:28,024 --> 00:27:32,230
remember actually, I had no idea
that it was going to be like, With

639

00:27:32,260 --> 00:27:35,540
Jimmy, um, and he like popped up on
my zoom screen, but I kind of just

640

00:27:35,540 --> 00:27:38,690
start laughing because he's like a
celebrity because he's the clue crew.

641

00:27:38,730 --> 00:27:39,050
Yeah.

642

00:27:39,260 --> 00:27:41,060
Um, he's like going to the Galapagos.

643

00:27:43,120 --> 00:27:47,440
So, yeah, I was, I think I was kind of
like maybe giggling a lot during like

644

00:27:47,440 --> 00:27:50,410
he, he, I remember him specifically
asking like, hey, why are you laughing?

645

00:27:50,430 --> 00:27:52,450
And I was just like, ah,
because you're Jimmy.

646

00:27:53,685 --> 00:27:56,895
So you mentioned that you had
moved east to work in farming.

647

00:27:56,895 --> 00:27:59,925
We noticed even in your appearances
on the show originally you were

648

00:27:59,925 --> 00:28:01,635
a winemaker from California.

649

00:28:01,695 --> 00:28:04,995

Now you are a restaurant
server, the stomping grapes.

650

00:28:04,995 --> 00:28:06,735

You just, you didn't wanna
have to do that anymore.

651

00:28:06,735 --> 00:28:07,305

Is that what happened,

652

00:28:08,445 --> 00:28:09,695

?

Um, yeah.

653

00:28:09,700 --> 00:28:10,895

I mean it's, it's hard work.

654

00:28:10,895 --> 00:28:12,425

It's, no, it's no joke.

655

00:28:12,610 --> 00:28:16,925

I did a few seasons, few harvests
in New York, both farming the grapes

656

00:28:16,925 --> 00:28:20,435

and making the wine and it's really
rewarding work in a lot of ways.

657

00:28:20,435 --> 00:28:20,525

It's.

658

00:28:21,060 --> 00:28:25,390

Um, I love being close to the land and
really tasting the fruit of my own labor.

659

00:28:25,480 --> 00:28:28,890

And I kind of just decided I wanted
to be home and closer to my family.

660

00:28:29,169 --> 00:28:30,820

Landed myself back in the Bay Area.

661

00:28:31,200 --> 00:28:32,250

Yeah, working in a restaurant.

662

00:28:32,270 --> 00:28:34,310

It's, I really love my co workers.

663

00:28:34,310 --> 00:28:34,980

They're really wonderful

664

00:28:35,010 --> 00:28:35,340

people.

665

00:28:35,905 --> 00:28:37,285

Well, that's what it's all about.

666

00:28:37,425 --> 00:28:39,325

I feel the same way with
my Jeopardy co workers.

667

00:28:39,925 --> 00:28:44,355

So, getting back to Champions Wildcard,
you know, you come out of the finals

668

00:28:44,355 --> 00:28:48,425

day one, you have a big lead after,
you know, a huge wager in final.

669

00:28:48,855 --> 00:28:50,905

How are you feeling heading into day two?

670

00:28:51,540 --> 00:28:52,070

I'm not,

671

00:28:52,300 --> 00:28:55,960

I'm definitely not resting on any kind
of laurels going into day two, because

672

00:28:56,030 --> 00:28:59,990

both my competitors, Jesse and Mira,
are really incredible Jeopardy players,

673

00:28:59,990 --> 00:29:01,520
and anything really could happen.

674

00:29:01,520 --> 00:29:05,650
I'm, it's not, it's not like a secure,
doesn't feel like a secure win.

675

00:29:05,700 --> 00:29:07,080
Still coming in fresh game.

676

00:29:07,220 --> 00:29:08,140
Just trying to.

677

00:29:08,355 --> 00:29:11,085
Stay in there and keep, keep buzzing.

678

00:29:11,505 --> 00:29:15,755
Well, game two was a pretty evenly
matched in the Jeopardy round.

679

00:29:15,785 --> 00:29:20,205
And then, you know, Jesse with
that huge 7, 400 daily double

680

00:29:20,645 --> 00:29:25,535
really got himself into a lead
position, but then triple stumper.

681

00:29:25,845 --> 00:29:31,475
In Final Jeopardy, the category, in case
you don't remember, On Vacation in Italy.

682

00:29:31,895 --> 00:29:36,385
About 30 miles from Florence, a little
hill gives this Tuscan town its name.

683

00:29:36,445 --> 00:29:38,605
Familiar to American visitors.

684

00:29:38,625 --> 00:29:39,895
It's a triple stumper.

685

00:29:40,265 --> 00:29:41,735

What was going through your mind?

686

00:29:42,185 --> 00:29:45,935

I, it's funny because I've been to Italy, I think I was personally

687

00:29:45,935 --> 00:29:50,485

thrown by the outside of Florence, like the, the like, the, the place

688

00:29:50,495 --> 00:29:51,995

setting aspects of that clue.

689

00:29:52,635 --> 00:29:54,665

I don't really know why I didn't get there.

690

00:29:54,745 --> 00:29:55,822

Well it didn't matter.

691

00:29:55,822 --> 00:29:56,127

It

692

00:29:56,127 --> 00:29:56,433

didn't

693

00:29:56,433 --> 00:29:56,739

matter.

694

00:29:56,739 --> 00:30:02,055

Yeah, the good news is it didn't matter, and I think in addition to your joyful

695

00:30:02,105 --> 00:30:06,240

reaction to winning, in the post game chat you said, Well, now I have to get

696

00:30:06,240 --> 00:30:10,800

off more time from work without telling anyone why, like that was what was going

697
00:30:10,800 --> 00:30:12,200
through your mind in your winning moment.

698
00:30:12,520 --> 00:30:15,110
I got to come back for a whole week
and do the Tournament of Champions.

699
00:30:15,460 --> 00:30:16,460
Oh God,

700
00:30:16,470 --> 00:30:19,210
another, uh, all expenses paid vacation.

701
00:30:19,510 --> 00:30:22,690
I think it's also just, I
know, I, I was talking actually

702
00:30:22,690 --> 00:30:24,530
to, to Juveria about this.

703
00:30:24,530 --> 00:30:27,010
She's a really, she's a
really wonderful person.

704
00:30:27,010 --> 00:30:30,146
And I was saying, I was like,
it's weird that I was just Um,

705
00:30:30,146 --> 00:30:33,685
I was thinking immediately about
the stressful things when I won.

706
00:30:33,785 --> 00:30:37,655
I mean, you could do a lot of, um,
like armchair psychology about that.

707
00:30:37,685 --> 00:30:39,985
But I think it was more just
something that I couldn't believe

708
00:30:39,985 --> 00:30:43,135
was happening to me and I really

like seized upon what felt real.

709

00:30:43,135 --> 00:30:44,945

And what felt real is,
oh god, I have to get

710

00:30:44,945 --> 00:30:45,875

time off now.

711

00:30:45,915 --> 00:30:47,345

So what did you tell your job?

712

00:30:47,355 --> 00:30:47,685

I have to know.

713

00:30:48,135 --> 00:30:49,105

Where have you been?

714

00:30:50,415 --> 00:30:51,810

Um, I know.

715

00:30:51,810 --> 00:30:56,040

I think some, some people kind of figured
it out, but, um, thankfully I have a

716

00:30:56,040 --> 00:31:00,670

really sweet and kind manager and I
told her, Hey, I need these days off

717

00:31:00,720 --> 00:31:02,790

and I, I won, but I can't tell anyone.

718

00:31:02,880 --> 00:31:03,870

Um, can you help me out?

719

00:31:03,870 --> 00:31:07,160

And she, she just kind
of made me disappear.

720

00:31:08,640 --> 00:31:13,390

Well, uh, speaking of eateries and
Jeopardy, uh, I'm going to ask, you know,

721
00:31:13,390 --> 00:31:17,900
my hard hitting question, which is what
is your Sony commissary lunch order?

722
00:31:18,790 --> 00:31:19,710
Ooh, that's tough.

723
00:31:19,800 --> 00:31:25,910
Well, I feel like on, if I'm, if I'm
playing after lunch, which has been

724
00:31:25,920 --> 00:31:29,070
the case a couple times, it's a slice
of pepperoni pizza, just because,

725
00:31:30,080 --> 00:31:33,740
um, no matter my nerves or my nausea
levels, I can, I can kind of get that

726
00:31:33,750 --> 00:31:37,620
down and definitely, like, have some,
have some fuel, have some protein.

727
00:31:37,780 --> 00:31:42,860
When I'm not playing, I finally got
to have the bulgogi beef rice bowl.

728
00:31:42,870 --> 00:31:43,430
Oh, yeah.

729
00:31:43,890 --> 00:31:44,360
That hit.

730
00:31:44,390 --> 00:31:45,850
That was, like, a really great.

731
00:31:46,590 --> 00:31:49,120
Like very balanced, you know, I
got some vegetables, I got some

732
00:31:49,120 --> 00:31:51,805

savory, savory protein, some rice.

733

00:31:51,805 --> 00:31:52,429

Nice.

734

00:31:52,430 --> 00:31:53,380

That one hit the spot for me.

735

00:31:54,310 --> 00:31:57,850

No spoilers about what comes next,
obviously you're back for the TOC

736

00:31:57,850 --> 00:32:01,630

and we'll be talking about those
games on future pods, but coming

737

00:32:01,630 --> 00:32:05,580

out of the Champions Wildcard,
like what's a, what's a aspect of

738

00:32:05,580 --> 00:32:10,020

your play or a stat or something
that you feel like really proud of?

739

00:32:11,440 --> 00:32:15,200

Oh, you know, it's funny because
I, I really wasn't aware of.

740

00:32:16,090 --> 00:32:18,270

The box scores in my original run.

741

00:32:18,300 --> 00:32:23,780

So like I didn't actually see my stats
When I first was on I think maybe I

742

00:32:23,780 --> 00:32:28,370

kind of found out about them Jesse
chin made baseball a baseball card of

743

00:32:28,370 --> 00:32:30,920

himself and he had all his stats I was
like, how'd you get all your stats?

744

00:32:32,810 --> 00:32:35,230

And so yeah, they wouldn't
like look on the internet.

745

00:32:35,240 --> 00:32:39,020

So in terms of like, you know,
not you're not a stat head.

746

00:32:39,190 --> 00:32:41,860

That's okay Yeah, I'm not
not so much a stat head.

747

00:32:41,870 --> 00:32:46,560

I wish I wish I were a little more but I
mean I I think When I finally, like, got

748

00:32:46,560 --> 00:32:51,030

to see my choreo score on, on Jarchive,
and I was like, Oh my god, this is real!

749

00:32:51,110 --> 00:32:52,290

Uh, that felt pretty good.

750

00:32:53,650 --> 00:32:58,660

One, one thing is, for me, the buzzer
has always been kind of, like, elusive.

751

00:32:58,740 --> 00:33:01,910

I mean, obviously I did a little bit
of training in terms of just, like,

752

00:33:02,150 --> 00:33:06,700

standing in front of my TV with the, with
the little Jeopardy home game button.

753

00:33:06,710 --> 00:33:10,360

So I was happy of how much I
managed to, like, make, make

754

00:33:10,380 --> 00:33:11,840

that training regimen work.

755

00:33:11,870 --> 00:33:15,260
But, I don't know, an aspect
of my game I feel proud of.

756
00:33:15,955 --> 00:33:16,805
That's a nice question.

757
00:33:16,915 --> 00:33:22,165
I mean, I'm, I'm proud of how I, like,
nose to the grindstone was able to improve

758
00:33:22,175 --> 00:33:27,595
on subjects like, like, geography or like,
kind of the more, like, hard academic

759
00:33:27,595 --> 00:33:31,285
subjects that I would be able to be
like, oh, I really, like, internalized

760
00:33:31,295 --> 00:33:35,135
Tancanica, which I had not something
I had really thought about that much

761
00:33:35,135 --> 00:33:38,055
as a more casual Jeopardy, um, viewer.

762
00:33:38,630 --> 00:33:40,810
But that I was able to like
retain those kinds of things.

763
00:33:40,820 --> 00:33:46,420
I really love to learn and sometimes
it's hard for me to study like kind

764
00:33:46,420 --> 00:33:51,510
of pure road or pure memorization and
the things that I'm really happy that

765
00:33:51,985 --> 00:33:57,945
I got from my Jeopardy experience, um,
are, are those kinds of, like, little

766
00:33:58,035 --> 00:34:02,275

nuggets of knowledge that, like, I,
will still stay with me after the fact.

767

00:34:02,455 --> 00:34:02,585

I

768

00:34:02,585 --> 00:34:03,025

love it.

769

00:34:03,435 --> 00:34:06,465

Well, and you talked about the
baseball cards, you know, we have

770

00:34:06,465 --> 00:34:11,115

made digital baseball cards with
your stats for the TOC, so, Jessie,

771

00:34:11,145 --> 00:34:12,805

watch out, Deb's gonna have one

772

00:34:13,025 --> 00:34:13,685

now, too.

773

00:34:14,505 --> 00:34:16,605

Curious to see what my
signature is on that one.

774

00:34:17,215 --> 00:34:17,375

You

775

00:34:17,375 --> 00:34:20,025

talk about the signature, and I
have to ask about this, because

776

00:34:20,025 --> 00:34:24,165

your penmanship has gone Everyone
on Reddit is talking about it.

777

00:34:24,535 --> 00:34:25,675

How do you write?

778

00:34:25,705 --> 00:34:27,975

I have used the stylus,
as have you, Lizzie.

779

00:34:27,985 --> 00:34:28,595
Yeah, impossible.

780

00:34:28,625 --> 00:34:34,795
I don't know how you write your letters
so perfectly, equally in size, totally

781

00:34:35,020 --> 00:34:36,920
Balanced, across, how do you do it?

782

00:34:37,160 --> 00:34:38,350
Well, I have to

783

00:34:38,350 --> 00:34:41,970
find some way to put my art degree
to work doing Jeopardy, so I

784

00:34:41,970 --> 00:34:43,270
guess that's, I guess that's it.

785

00:34:43,320 --> 00:34:47,100
I have a background in drawing, so I guess
I'm just able to control the thing well.

786

00:34:47,100 --> 00:34:50,910
I think also, like a Wacom
pen now, and maybe different

787

00:34:50,930 --> 00:34:52,410
from like old, the tethered.

788

00:34:52,920 --> 00:34:55,080
One, because I feel like on my
first time, it was like a tethered

789

00:34:55,210 --> 00:34:55,860
pen, like in the bag.

790

00:34:55,910 --> 00:34:59,110

It only became untethered
at the start of the season.

791
00:34:59,110 --> 00:34:59,370
Yeah.

792
00:34:59,440 --> 00:35:00,000
It's definitely

793
00:35:00,010 --> 00:35:02,750
changed, uh, the signature thing.

794
00:35:02,760 --> 00:35:05,660
But since I found out about
Best Signature at Jeopardy!

795
00:35:05,660 --> 00:35:06,120
Honors

796
00:35:06,410 --> 00:35:06,900
Watch out!

797
00:35:07,090 --> 00:35:10,270
Hopefully Watch out, young Shen!

798
00:35:11,040 --> 00:35:12,510
Dab is coming for ya!

799
00:35:12,820 --> 00:35:16,650
Well, what's next for Dabilido hot
off the Tournament of Champions?

800
00:35:16,750 --> 00:35:17,480
Ooh, I don't

801
00:35:17,480 --> 00:35:17,790
know.

802
00:35:17,870 --> 00:35:18,920
Um, some rest.

803

00:35:19,340 --> 00:35:20,240
Really, honestly.

804
00:35:20,330 --> 00:35:22,980
I'm just Surfing on Good Vibes for right

805
00:35:22,980 --> 00:35:23,370
now.

806
00:35:23,500 --> 00:35:24,770
We love your Good Vibes.

807
00:35:24,780 --> 00:35:27,020
Thank you so much for
joining us in the pod.

808
00:35:27,020 --> 00:35:30,880
Congratulations on just a really
great run here in recent weeks.

809
00:35:30,880 --> 00:35:32,760
It's been so much fun
to watch you compete.

810
00:35:33,620 --> 00:35:36,570
All right, that brings us
to the end of today's show.

811
00:35:36,580 --> 00:35:39,570
We will be back next week
for more TOC game highlights.

812
00:35:39,920 --> 00:35:42,240
You're not going to want
to miss those because a lot

813
00:35:42,250 --> 00:35:43,940
happens this week in the TOC.

814
00:35:44,240 --> 00:35:46,440
Plus, we're going to be
talking with co head writers

815
00:35:46,440 --> 00:35:47,760
Billy Weiss and Michelle Loud.

816
00:35:48,035 --> 00:35:51,875
About exactly what goes into the writing
process for the Tournament of Champions.

817
00:35:52,505 --> 00:35:52,735
Can't

818
00:35:52,735 --> 00:35:53,925
wait, and we will see you all

819
00:35:53,925 --> 00:35:54,315
next week.

820
00:35:54,325 --> 00:35:55,065
See you then.
